Mr. Evers,

This letter is our first interim response to your Freedom of Information Act (FOIA) request submitted on November 19, 2018.

We have completed our search and at this time we are releasing 1 document, totaling 284 pages, which are responsive to your request.

The records being provided to you today are in response to a similar FOIA request dated September 13, 2017 and are responsive to the September 2005-2016 portion of your request.

Due the file size, these materials are being sent to you by way of the DOI secure file transfer. You will receive an email from me via doi\_secure\_file\_transfer@doi.gov providing with link to the responsive file. This file will be available for download for a period of two weeks from the date of this letter. It is suggested that you save the file at the time of download as the link will expire and the file will no longer be accessible.

We are continuing to review over 2,000 pages of material that is potentially responsive to your request and will be releasing materials on a rolling basis.

Please do not hesitate to contact me with any further questions or concerns. I can be reached at the address above or by phone at 202-354-1449. I can also be reached via e-mail at [jessica\\_mchugh@nps.gov](mailto:jessica_mchugh@nps.gov).

Mr. Evers,

This email is a status update on your FOIA request (NPS-2019-0236) which was perfected on December 4, 2019.

We completed our search. However, we had been experiencing difficulty pulling materials potentially responsive to your request from our system.

We have successfully worked to resolve the issue and have received all records. An initial sort has been completed and we are currently working to review materials.

Your request, which had previously been placed in the "complex queue", has been moved to the "normal" queue.

There are currently 4 expedited, 2 simple, and 17 normal requests ahead of this request in the processing queue

I apologize for the delay in getting this information to you. Please note, because we were not able to process your request within the required twenty workday period you have the right to appeal. You may file an appeal by writing to:

Your failure-to-timely-respond appeal may be filed anytime between now and the date we issue our final response. The appeal should be marked, both on the envelope and the face of the appeal letter, with the legend "FREEDOM OF INFORMATION APPEAL." Your appeal should be accompanied by a copy of your original request and copies of all correspondence between yourself and the National Park Service related to this request, along with any information you have which leads you to believe our response to be in error. Note, any appeal received after 5 p.m. EST will be considered to have been received on the next business day.

Dear Mr. Evers:

Subject: Freedom of Information Act Requests NPS-2019-00236

This letter is in response to your November 19, 2018 FOIA request in which you requested the following records from the period of January 20, 2017 through the date on which the search is conducted.

- " 1. All records reflecting non-public tours of national park sites arranged at the request of Interior Secretary Zinke, Lola Zinke, or Interior Deputy Secretary Bernhardt.
2. All email communications and associated attachments sent or received by Elaine Hackett (including emails on which she was copied or blind copied) containing any of the following terms:
  - a. "private tour"
  - b. "VIP tour"
  - c. "guided tour"
  - d. "mini tour"
  - e. "custom tour"
  - f. "Jon Jorgenson"
3. All records reflecting communications (including emails, email attachments, handwritten or electronic notes summarizing meetings, and calendar invitations or entries) between Elaine Hackett and Lola Zinke."

Thank you for your December 4, 2018, email clarifying that you are limiting the scope of Item 1 of your request to records held by Elaine Hackett. Your request is considered perfected as of December 4, 2018.

We have classified you as an "other-use" requester. As such, we may charge you for some of our search and duplication costs, but we will not charge you for our review costs; you are also entitled to up to 2 hours of search time and 100 pages of photocopies (or an equivalent volume) for free. See 43 C.F.R. § 2.39. Our estimated processing costs for this request will not exceed your fee category entitlements. Therefore, at this time we consider your request for a statutory fee waiver to be moot.

As noted in our November 29, 2018, correspondence, your request has been placed in the "complex" track. There are currently 1 "expedited", 4 "simple" and 26 "normal" and 1 "complex" requests ahead of this request in the processing queue.

In accordance with 43 CFR 2.19, we are notifying you that we have determined that we will need to extend the basic 20 workday time limit, in order to respond to your request. We are taking this ten-day extension due to the need to consult on potentially responsive records with multiple Department of the Interior offices.

You should therefore expect our response by January 17, 2018. If you do not receive our response by that date you may file an appeal by writing to:

Freedom of Information Act Appeals Officer  
Office of the Solicitor  
U.S. Department of the Interior  
1849 C Street, NW  
MS-6556-MIB,  
Washington, D.C. 20240  
[foia.appeals@sol.doi.gov](mailto:foia.appeals@sol.doi.gov)

Your failure-to-timely-respond appeal may be filed anytime after the estimated response date provided above and the date we issue our final response. The appeal should be marked, both on the envelope and the face of the appeal letter, with the legend "FREEDOM OF INFORMATION APPEAL." Your appeal should be accompanied by a copy of your original request and copies of all correspondence between yourself and the National Park Service related to this request, along with any information you have which leads you to believe our response to be in error. Note, any appeal received after 5 p.m. EST will be considered to have been received on the next business day.

Dear Ms. Eilperin:

Reference: Visit and Tour Requests

Subject: Response to Freedom of Information Act (FOIA) Request NPS-2017-01330

This letter is in response to your Freedom of Information Act (FOIA) request dated September 3, 2017, in which you requested:

*All e-mails, text messages and other communications to or from acting chief of staff Beverly (Grace) Stephens; Alexa Viets, Jennifer Wyse; April Slayton; Michael/Mike Reynolds and Bob Vogel received from March 1, 2017 through the present concerning requests for visits and tours of national parks by members of the executive branch, including political appointees and their family or friends, including but not limited to the White House and the Interior Department.*

On September 27, 2017, following a discussion with your colleague, Ms. Lisa Rein, you clarified that you were seeking:

1. *Records of communications that relate to "requests for visits and tours" of any National Park Service unit that were made members of the Executive Branch, including senior Department of Interior Officials, political appointees, members of Congress, and or White House Staff.*
2. *This request includes communications relating to unofficial travel, e.g. vacation visits, by the requester as well as any requests for "visits or tours" made on behalf of friends or family members.*
3. *This request excludes records relating to arrangements for official, work-related travel.*

Upon further review, your request is granted in part and denied in part. On December 18, 2017, we released three files, totaling 59 pages of responsive material. On January 23, 2018, we issued a second interim response, consisting of one PDF that contained 106 pages of responsive material. In this third and final response we are releasing 1 file totaling 114 pages. However, portions of 146 pages were withheld under Exemption 6, which allows us to withhold information that would constitute a clearly unwarranted invasion of personal privacy. In this case the individual(s) concerned have significant privacy interests in withholding the information you have requested. Accordingly we have determined that releasing redacted or withheld information, which includes personally identifiable information (PII) such as email

addresses for private citizens and/or senior employees of the Executive Office of the President, could cause the concerned individual(s) embarrassment, subject them to annoyance, or lead to harassment.

Additionally your request failed to demonstrate how the public's interest would be served by releasing the information you have requested. We have therefore concluded that the threat to the privacy of the individuals concerned is greater than whatever public interest there might be in releasing the requested information. We are therefore withholding it under Exemption 6.

Pursuant to regulation, 43 CFR 2.24(b) the following person is responsible for this denial:

Charis Wilson  
NPS FOIA Officer

Additionally the following attorney was consulted during the preparation of this response:

Jason Waanders, Attorney-Advisor, Office of the Solicitor  
U.S. Department of the Interior, Washington, DC

You have the right to appeal this denial of your request. You may file an appeal by writing to:

Freedom of Information Act Appeals Officer  
Office of the Solicitor  
U.S. Department of the Interior  
1849 C Street, NW  
MS-6556-MIB,  
Washington, D.C. 20240  
[foia.appeals@sol.doi.gov](mailto:foia.appeals@sol.doi.gov)

Your appeal must be received no later than 90 workdays after the date of this final response. The appeal should be marked, both on the envelope and the face of the appeal letter, with the legend "FREEDOM OF INFORMATION APPEAL." Your appeal should be accompanied by a copy of your original request and copies of all correspondence between yourself and the National Park Service related to this request, along with any information you have which leads you to believe the records are available, including where they might be found, if the location is known to you. Please note, appeals received after 5 p.m. EST will be considered to have been received as of the following day.

Also as part of the 2007 OPEN Government Act FOIA amendments, the Office of Government Information Services (OGIS) was created to offer mediation services to resolve disputes between FOIA requesters and Federal agencies as a nonexclusive alternative to litigation. Using OGIS services does not affect your right to pursue litigation.

You may contact OGIS in any of the following ways:

Office of Government Information Services (OGIS)  
National Archives and Records Administration  
Room 2510  
8601 Adelphi Road  
College Park, MD 20740-6001

E-mail: [ogis@nara.gov](mailto:ogis@nara.gov)  
Phone: 301-837-1996

Fax: 301-837-0348  
Toll-free: 1-877-684-6448

Additionally, because the National Park Service creates and maintains law enforcement records, we are required by the Department of Justice to provide the following information, even though it may or may not apply to your specific request. Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that we are required to give all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

Please do not hesitate to contact me, as the FOIA Liaison and the person processing your request, with any further questions or concerns. I can be reached at the address above or by phone at 303-969-2959. I can also be reached via e-mail at [charis\\_wilson@nps.gov](mailto:charis_wilson@nps.gov).

Charis Wilson

Hi Cam and Patty,

We've just received an urgent request for a VIP tour at Mount Rushmore for today at 11:30 am MT.

We don't have a lot of details, but I wanted to fill you in on what we do know. Justin Monetti has reached out and talked with Cheryl.

Please give me a call on my cell when you get this 202-510-2360.

Have a great day, Jen

Doug:

The visit went well and they all thanked us for a fantastic day, were very appreciative of our kindness and hospitality.  
Also, I believe we have at least one new Junior Ranger! Well worth it of course, and Ranger Ed Menard did a great job.  
Just wanted to circle back with all of you! It was a "picture" perfect day at Mount Rushmore!

Thank you very much,

There are (5) total and the last name is Emmet. If you could do a 3-4 hour tour of the sites, that would be great!

Hi Elaine,

(b) (6) and (b) (6) two close friends of the Secretary, are in town on Monday, and he would very much like for them to be able to go on a VIP van tour. I know you have presumably already left, but if you check your email over the weekend and can figure out a way for them to attend, please let me know!

Yes, the NPS does do tours. Those are handled by DOI. I have copied Greg Myers and Elaine Hackett (who is on detail to DOI) who can check on availability.

Scott,  
Good afternoon and happy Sunday! I have a friend coming back this week for Family Farm Alliance representing IID. Does the Park Service still do VIP tours? They are a family of six and could do a tour on Thursday, if they still are doing tours. Please let me know...if not no worries.

Thanks,

Maureen/Scott:

Unfortunately, this entire week is booked. You might want to recommend the DOI Mural tour with the Museum staff - that's a very nice tour and I have recommended it to some VIPs that we could not get on our van tours and they loved it!

Thanks

Enjoyed the rehearsal concert tonight! As we discussed, my parents' best friends (they have known me since about age 3) are coming into town at the end of next week with their granddaughter and a friend. Do you have room for a Secretary's VIP tour for the four of them on Friday, July 14? Also, they are available Thursday after around 11:00 a.m. if it's possible to get them on a Ford's Theatre and Bureau of Engraving Tours. They already have a tour set for Saturday for the Holocaust Museum.

Hey, Forrest. Because of the holiday week, it turns out NPS is not doing the regular tours on those dates. I am including Elaine Hackett on here who handles the scheduling of the tours and who has pointed out that while we are unable to do the regular tour to all the monuments that she could arrange special tours of Ford's Theatre and the Bureau of Engraving. I will be at Antietam National Battlefield all day on Monday so wanted to connect you guys in case that is of interest.

Hi Elaine,

I am working on getting our two interns, (b) (6) and (b) (6) a West Wing tour. One of my contacts cannot do it, so I am trying out some other options.

Do you know of anyone that may be able to get (b) (6) (b) (6) mother, and (b) (6) a tour?

If not, do you have connections to get them an East Wing tour?

Thank you!

I can probably get them an east wing tour, however they will not be doing any west wing tours the month of August.

When do you need one?

We are asking cabinet affairs if anyone can fit in a tour this week for WW.

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

It's Alex Hinson. My family is getting in to D.C. tomorrow, and I wanted to see if you knew of anything Interior related for us to do while they are here? Do appointees have any special access to the mall or anything like that? Thanks so much!

Hello Brooke,

It was nice to talk with you as well. Wendy, it's nice to virtually meet you. I would like to introduce you both to Elaine Hackett, who I've included on this email. Elaine is wonderful, and she can help you schedule a monument tour.

Warmly,  
Elinor

Thanks Elinor!

Hi Brooke and Wendy! Please email me in a separate email and give me details - what date you would like a monuments tour; how many people and I'll go from there!

If you would rather call me, my cell is 202-329-5735 or tomorrow, my direct is 202-208-5334. I look forward to hearing from you!

Hi Ellen

Thanks for the follow up note. Bill Burke, our park historian will be doing the tour for Caroline Boulton and family. Bill will be expecting them to meet him at Salt Pond Visitor Center in Eastham. Its vis ble from Route 6 so they should find it easily. Bill has worked here at Cape Cod for many years so he will be able to tailor a tour to their interests and abilities.

Do you have a sense of the amount of time they plan to spend with him?

Thanks so much.

Good afternoon Ellen

I'll be happy to make arrangements for a special tour of the park on August 14 for Caroline and her family. It would help to have a bit more detail about the group. For instance, will there be any children along and if so what is the age span.

Thanks so much.

They can arrive any time in the morning or whatever time is convenient for you.

Hi Elaine/ Ranger Hawn,

Just got news that Dep COS from OPM can't make Sunday's tour anymore because he has church until 12:00, but the October tour works great for him.

He told me he would reach out to Bethany.

Thank you!

Of course! How many in his group? Do you want to do the all day tour or half day tour?

Do you want the start time at 9am? I will put it under Renee.

Thanks!

Ok I'll have a ranger meet him in the C Street lobby. They might see everything in about 2-3 hours since they will be alone. Will that be ok?

Maybe we can get him the Museum Mural tour afterwards?

Hi Jennifer,

I just got a call from Sec. Perdue's office at USDA; Secretary Perdue is planning on visiting Great Falls tomorrow with his family and wanted to know if someone would be able to provide a list of places he should hit while on the trip and potentially show them around for the first part of their visit.

Would you be able to get me the Superintendent's information?

Bethany Hudson in the Scheduling office at USDA (202-720-5949 or [bethany.hudson@osec.usda.gov](mailto:bethany.hudson@osec.usda.gov)) is the best POC for them for additional information and confirmation.

Thanks!

Hi Christine,

I work with Lori Mashburn in the White House Liaison Office here at Interior and I was hoping you could help us out with direction on how to get a West Wing and East Wing Tour for our Solicitor Nominee, Ryan Nelson, and his family. He is in town for his Senate hearing.

Here are his requests:

West Wing: 9/7 for 8 people (immediate family)

East Wing: 9/7 or 9/8 for 17 people (immediate and extended family)

If they can't get West Wing, then he's more than happy to do just East Wing.

Thanks!

Good morning Ms Hackett

This is (b) (6) Ashley Gunn's dad. My wife (b) (6) & I wanted to thank you for arranging our Monument tour yesterday. It was GREAT! Steve Hazelton was a terrific host and very knowledgeable guide. Steve made the tour special for us giving us incite into the construction, placement & history of the monuments. We both have a greater appreciation for the symbolism & history they represent and for the job the Park Service does.

Thanks again for arranging. Please pass on our appreciation to Secretary Zinke.

Gabriella,

I can put them on the May 25 Park Service VIP van tour. This tour begins at the Department of the Interior - C Street lobby, and departs at 9am and returns approximately 3:30pm.

The van is driven by a park ranger who also gives the interpretation. The sites they will visit are: WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

Park ranger will stop midday at a location (TBD) so guests can take a break and grab lunch if they choose, then continue until approximately 3:30pm, ending at the Department of the Interior.

Is this something they might be interested in?

Thanks,  
Elaine

Perfect! I have confirmed (b) (6) (2) for the Secretary's van tour on **Thursday, May 25**. They need to be here at the Department of the Interior - 1849 C Street, NW - C Street lobby, no later than **8:45am**.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location (usually Union Station or Ronald Reagan Building) so guests can take a break and grab lunch if they choose, then continue the tour until approximately **3:30pm**, ending at DOI C Street.

I will go downstairs and meet the (b) (6) and make sure they get off on the tour ok.

I hope they enjoy!

Gabriella,

If the (b) (6) couple would prefer to do a short tour, I could probably have a park ranger take them around for a couple hours. If that doesn't work, I have a couple trolley tickets from one of the local DC trolley tours (not NPS) that I would be happy to provide. One of them is for Arlington Cemetery.

Let me know!

Fun things to do for children

Steve,

We really don't have any special places geared for kids, however, we have the Jr. Ranger Program book for when kids are on the National Mall. They can identify various objects such as trees/birds/plants, etc. and when they complete the book, they can give to a Park Ranger who will do a Jr. Ranger swearing-in and give them a badge!

Our White House Visitors Center on 15th Street is a neat place to visit - it's very "hands-on" and there are things that are eye-level for kids to see, but not sure if it would interest (b) (6) year old. They can get a Jr. Ranger booklet there.

I wish we had more to offer kids but the Jr. Ranger Program is pretty cool - of course, the parents would have to help with this!

Sorry I couldn't be of more assistance.

Elaine

Hey,

I found the POC for tours... Send me a request date and I'll forward on to setup the tours. For example... they have a bus tour for up to 13 people that will take VIPs around to all the monuments, if there are museums or other sites in DC that they want to go to I have a contact for that too even though they are outside of the DOI. Just let me know.

Thanks a lot. The Jr. Ranger program sounds like it might work for them. We have to book it in advance or anything or is it OK to show up at the Visitor's Center?

We really don't have any special places geared for kids, however, we have the Jr. Ranger Program book for when kids are on the National Mall. They can identify various objects such as trees/birds/plants, etc. and when they complete the book, they can give to a Park Ranger who will do a Jr. Ranger swearing-in and give them a badge!

Our White House Visitors Center on 15th Street is a neat place to visit - it's very "hands-on" and there are things that are eye-level for kids to see, but not sure if it would interest (b) (6) year old. They can get a Jr. Ranger booklet there.

I wish we had more to offer kids but the Jr. Ranger Program is pretty cool - of course, the parents would have to help with this!

Sorry I couldn't be of more assistance.

I found the POC for tours... Send me a request date and I'll forward on to setup the tours. For example... they have a bus tour for up to 13 people that will take VIPs around to all the

monuments, if there are museums or other sites in DC that they want to go to I have a contact for that too even though they are outside of the DOI. Just let me know.

Thanks Elaine. Their confirmation will go directly to them (to their email box). The doors will open at 9:45 AM and they should arrive at the 7th and Constitution Avenue entrance a few minutes prior so they can check in with the docents. If they have any questions, feel free to give them my direct number. 202-357-6816.

Have a wonderful weekend,

Mr. Evers,

I have attached two files, containing 1,876 pages of material, which are responsive to your November 2018 request for records relating to VIP tour requests. However, portions of approximately 419 pages are being withheld under Exemption 6. A detailed explanation of those redactions along with your appeal rights will be provided in our final response letter.

The final set of records is currently being reviewed for White House equities, as required under Section 9.8 (B) of the [DOI FOIA Handbook](#). Once that review is complete we will be able to issue our final response, however, at this time we do not have an ETA for when the review will be finished.

Sincerely,

C.

Hi Elaine,

I hope you are doing well! We have a number of law enforcement officials coming out the week of May 15<sup>th</sup> (some 11<sup>th</sup>-16<sup>th</sup>- dates vary) for the National Police Week. (One of our sheriffs was shot on duty last year, so it's a very somber event this year.) I think the Washington Monument is still closed indefinitely, but wanted to check if any of the other tours were available. We'll have a lot of folks in town but wanted to try and get one guided tour saved if that's still available. I don't have a very firm estimate of the availability yet, just that we're starting to hear from some of the departments looking for White House, etc. ☺

Best regards,

*Carol Kresse*

Good morning Carol!

Thank you again for the inauguration tickets - I'll never forget that day!!

Unfortunately, the Washington Monument is closed for 2 years and for the park ranger van tour, we only have a 12-passenger van available for a tour of the sites on the national mall. We could possibly add another 12-passenger van if available. It sounds like you might have more people than 24 people. The other option would be a walking tour with a park ranger. This could be anywhere from 1 - 2 hours. What do you think of these options?

Let me know your thoughts and we can discuss.

Thanks

I wanted to give you some advance information you might want to look at ahead of time for Dry Tortugas. This may help in planning to get there.

I am checking to see if there will be a Ranger available on those dates to meet them.

At Dry Tortugas they should plan to take a tour of Fort Jefferson and snorkel from the beach. The ferry leaves Key West at 8 AM, provides meals, snorkel gear, about 4 hours at the park, and returns to Key West by 5:30 PM.

<https://www.drytortugas.com/>

The seaplane may give you more flexibility but is more expensive, and does not provide meals.

We are interested in taking the kids to dry tortugas national park in FL over spring break.

Can you reach out to your park service contact and ask about doing a private tour on either Holy Thursday or good Friday. If you can ask them what is the best mode of transportation to get there. There is a ferry that takes hours or a sea plane. Maybe ask if there are any other options they are aware of and if not which they recommend.

If we take the sea plane we would be going in the afternoon so would want to do the tour then...

Thanks

Secretary's VIP Van Tour.pdf

## **BRIEFING**

**DATE:** March 13, 2017

**FROM:** Elaine Hackett – NPS Congressional Liaison

**SUBJECT:** Secretary's VIP Van Tour

### **I. INTRODUCTION**

This is a ranger-led tour of WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR; Jefferson Memorial and Washington Monument. Guests are driven in a 13-passenger van by the park ranger. This is an all day tour M-F from the Department of the Interior – C Street, beginning at 9am -3:30pm ending at C Street.

### **II. BACKGROUND**

The Secretary's VIP Van Tours began in the early 1980's and guests were driven by a park ranger in a car. Due to the popularity of the "word of mouth" tour, NPS now provides a van for the tour. What makes this tour so unique is the ranger drives as close as possible to each site so there is minimal walking for the guests.

This VIP tour is requested by Congressional Offices on behalf of their constituents. Tours are booked one month in advance and tour operates M-F except federal holidays, Cherry Blossom and the week between Christmas and New Year. Tours are booked through the Secretary's Office.

Guests are required to arrive no later than 8:45am at the C Street lobby. The ranger will come into the lobby with a list of guests for the day and depart at 9am from C Street. Ranger will stop midday for a break at a location TBD so guests can get lunch or take a break then continue the tour until approximately 3:30pm - ending at C Street.

How are you Chris?

I have Speaker Ryan and his family going to GC on April 13 for the day. They will be in Scottsdale, and drive up that morning and arrive approximately 1pm.

There will be (8) total family members and his Security Team so I will also need a contact for your Park Police or LE to give his scheduler.

They all love to hike, even his (b) (6) mother, who will be with them. It will be the Speaker, his wife and children ages 15/14/12 and his sister and her 5 year old child plus mother.

He has 3-4 security that travel with him at all times.

Would you be able to suggest a day visit including a lunch stop? He would depart around 6pm.

They also want to keep this under the radar. Thank you!

I'm sending you my briefing sheet - tell me what you think. However, within our conversation I told him our tours used to include Arlington Cemetery but we were asked to discontinue by the Supt. of Arlington.... he said to himself that was going to change because we have Arlington House there! Just so you know!

Secretary's VIP Van Tour\_1.pdf

## **BRIEFING**

**DATE:** March 13, 2017

**FROM:** Elaine Hackett – NPS Congressional Liaison

**SUBJECT:** Secretary's VIP Van Tour

### **I. INTRODUCTION**

This is a ranger-led tour of WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR; Jefferson Memorial and Washington Monument. Guests are driven in a 13-passenger van by the park ranger. This is an all day tour M-F from the Department of the Interior – C Street, beginning at 9am -3:30pm ending at C Street.

### **II. BACKGROUND**

The Secretary's VIP Van Tours began in the early 1980's and guests were driven by a park ranger in a car. Due to the popularity of the "word of mouth" tour, NPS now provides a van for the tour. What makes this tour so unique is the ranger drives as close as possible to each site so there is minimal walking for the guests.

This VIP tour is requested by Congressional Offices on behalf of their constituents. Tours are booked one month in advance and tour operates M-F except federal holidays, Cherry Blossom and the week between Christmas and New Year. Tours are booked through the Secretary's Office.

Guests are required to arrive no later than 8:45am at the C Street lobby. The ranger will come into the lobby with a list of guests for the day and depart at 9am from C Street. Ranger will stop midday for a break at a location TBD so guests can get lunch or take a break then continue the tour until approximately 3:30pm - ending at C Street.

The van is not wheel chair accessible. Walkers, car seats and strollers are not allowed!

Hello Elaine,

Things are sparkling here at Grand Canyon after so much winter snow, so it's very pretty! Good timing for a family trip for Speaker Ryan. We are honored to host the Speaker and his family on April 13.

As it happens, Kirby-Lynn Shedlowski is our expert in designing well-suited and inspiring trips for VIPs and she is currently in WASO PIO on a detail. I'll copy her on this email since she has been providing us continuous support while her position is being recruited for a detail, and she will be a primary resource for design options. (Thanks Kb!)

I'm copying our deputy superintendents and Chief Ranger on this message, but recognize keeping this under the radar means close hold.

Look forward to planning together!

thanks

Chris

It was great seeing you – wish I got to ski with you — and, so sad you are not joining us tomorrow and this weekend to ski the Yellowstone Club!!!

On the monuments tour – I would think so. I am looping in both Jason and Caitlyn with Sen. Daines. Jason/Caitlyn – can you assist, per below? Also – if not, I can see if someone over at Interior knows of someone. Thanks!

Hi Elaine

Here are the 3 options that we discussed with Vanessa earlier.  
Again, we can do a little mix and matching.

I am happy to work directly with Vanessa once the Speaker picks what he wants to do.

### **Additional Information:**

**Picnic Lunch:** Several options exist for picnic lunch options- if picnic lunch option is selected, Kirby will follow up with menu options.

**Safety:** Drink plenty of water while visiting. Grand Canyon sits at 7,000 feet. Plan on bringing your own refillable water container.

**Hiking:** Remember there are no EASY trails in or out of the Grand Canyon; everyone who hikes in the canyon for the first time reports that it was more difficult than they expected. **Allow 1/3 of your time to descend and 2/3 of your time to ascend.**

Vanessa,

I am happy to assist Speaker Ryan with his visit to the Grand Canyon. We want the family to have the best experience and we will do all we can to make certain that happens.

Attached are the options we spoke about and we can modify the first option to include the ice cream/milkshake option.

The Law Enforcement contact is included in the attachment.

Please don't hesitate to call me if you have other questions.

Have a great weekend!

Elaine

Hi Elaine

Here are the 3 options that we discussed with Vanessa earlier.  
Again, we can do a little mix and matching.

I am happy to work directly with Vanessa once the Speaker picks what he wants to do.

Thanks,

Protect the Park, Protect Yourself

**Use sunblock, stay hydrated, take your time, and rest to reduce the risk of sunburn, dehydration, nausea, shortness of breath, and exhaustion.** The South Rim’s high elevation (7,000 feet/2,135 m) and dry climate affects you differently than your home environment.

**Monsoon storms are common in summer.** When you hear thunder or see lightning, move away from the canyon rim. Do not stand under a tree. Seek shelter inside a vehicle, building, or shuttle bus. Be aware of possible flash floods and falling rocks during and after storms.

**Winter weather varies greatly and changes suddenly.** Be prepared to layer clothing for cold, rain, wind, and snow. Trails and walkways may be icy. Wear over-the-shoe traction devices for your safety. Road and weather conditions: 928-638-7496.

**Free, spring-fed drinking water is available from bottle filling stations at major trailheads, visitor centers, grocery stores, and lodges.**

**Stay behind railings and away from cliffs.** Hold on to children. Do not back up without looking around you. Always be aware of your surroundings.

**Leashed pets are allowed on Rim and Greenway trails.** Pets are not allowed below the rim, in buildings, or on shuttle buses. These limits do not apply to service animals. Anyone wishing to take a service animal below the rim must check in at the Backcountry Information Center before starting their hike.

**Hikers and wildlife can be injured by rocks, coins, and trash tossed over the edge of Grand Canyon and rocks dislodged by walking off trail.**

Good morning Mrs. Hackett,

The Congressman's wife would like to take a friend on a VIP tour of the Washington Monument. I was wondering if that was still done? I had heard that the Monument was closed.

Thanks,

Hi Amanda!

I hope you are doing well and enjoying your new job! It was great talking to you today.

Greg Tabish owns Great Western Petroleum, a gas and oil distributorship in Missoula. His father in law, Chip Erdmann, is the Chief Judge of the US Court of Appeals for the Armed Forces. He is retiring and coming to DC for his passing of the gavel ceremony. They are requesting a Secretary Tour on May 22<sup>nd</sup> or 24<sup>th</sup>, for four individuals.

Caitlin Dorman will be willing to talk to you about this family and another family's request for the Secretary Tour. Her direct line is 202-228-1185.

Among other policy items, I'd like to catch you on, there is a constituent family interested in a monument tour from Secretary Zinke. Is that something he'd or someone else appropriate would/could do? I'm not sure if that's a thing or not. But we heard it could be. I've included Christy, cc'd, in our office who's coordinating with the family. Can you put us in touch with the most appropriate person?

Thank you so much for putting together these options. This is going to be such an incredible visit! The Ryan family really enjoys the outdoors. After speaking with them they would really like to take in as much of the park as possible. If it is not too much to ask could we try to make the following work.

1:00PM Shoshone Point  
2:30PM Ranger Program  
3:30PM Explore Desert view watch tower

\*\*\* Depending on how tired the kids are stop for ice cream on our way out of the park\*\*\*

Let me know your thoughts on what I have proposed above. You are the experts!

Thank you again for your time on this! Please know how much it means to the Speaker and his family. I now this is something they will remember for a lifetime.

I am happy to assist Speaker Ryan with his visit to the Grand Canyon. We want the family to have the best experience and we will do all we can to make certain that happens.

The Law Enforcement contact is included in the attachment.

Please don't hesitate to call me if you have other questions.

They need to be at the Department of the Interior (DOI) 1849 C Street, NW - C Street lobby, no later than **8:45am**. The ranger will take the group to WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location TBD so guests can take a break or get lunch, then continue until **3:30pm**, ending at DOI C Street.

No strollers; wheelchairs or car seats are allowed.

The Hunter family (4) are confirmed for the Secretary's VIP tour on **April 5**. They need to be at the Department of the Interior (DOI) 1849 C Street, NW - C Street lobby, no later than **8:45am**.

The ranger will come into the lobby and escort the guests to the van and visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location TBD so guests can take a break or get lunch, then continue until approximately **3:30pm**, ending at DOI C Street.

No strollers; car seats or wheelchairs are allowed.

Enjoy!

Supervisory Ranger, Jerry Hawn will meet the Mark Johnson group (11) in the C Street lobby at **9am**. They will visit WWII; Vietnam and Korean War Memorial; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

If they want him to stop for lunch somewhere, they can certainly do that, then continue on the tour until **3pm**. Normally, the rangers stop at the Golf Course on Ohio Drive where they have a great little snack/refreshment area with great burgers and fries - they have other food but that's the most popular!! There are other close places like the Reagan Building that's an option or Union Station.

Let me know about lunch.

Hello Matt,

First, let me thank you for your help with Speaker Ryan's family visit to the Grand Canyon. They are really looking forward to it and without your assistance it would not be possible. So thank you in advance for making this trip extra special for the Ryan clan.

As I am sure you can understand, we would like to try and keep the visit as under the radar as possible. With all of the recent political drama we try to go above and beyond when the Speaker's children are involved.

That being said would you be available to do a walkthrough with myself and our security detail on April 11 around 2:00 PM. We will be driving from the Scottsdale area and have a meeting at 830AM that should last about an hour and will depart right from there. Please let me know if 2:00PM on April 11 works for you.

Thank you again for your assistance. Look forward to working with you.

Best,  
Vanessa

Dear Ms. Hackett,

My name is Jason Smith and I work with the Office of the Parliamentarian at the House of Representatives. Some of my colleagues and I are hosting 10 of our counterparts from the German Parliament from April 29 – May 7 as part of an official Congressional-Bundestag/Bundesrat exchange program. As part of the program, we are hoping to take the Germans on a guided tour of the Old Post Office Building, to include a visit to the bell tower. I called the NPS congressional liaison office for help in facilitating such a tour, and I was given your email address. Do you think that is something you could assist us with? We are specifically looking for late afternoon, around 3:30 or 4 p.m., on Friday, May 5.

Any assistance or further information that you can provide would be greatly appreciated. If it would be easier to discuss over the phone, please feel free to either send me your phone number or contact me at 202-225-7373 at your convenience.

Best wishes,

Hi Joshua,

My name is Elaine Hackett and I am on a detail to the Office of Secretary Zinke. I handle all the VIP tours of our national park sites.

Scott Hommel asked if I could assist with the tour request for friends of Secretary DeVos on May 5th.

Please tell me how many will be in the group and how much time they have to tour.

The sites I can arrange for them to see are: WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

If they want to visit Fords Theater, I will have to arrange that separately since our rangers do not include that in our tours of the Mall.

Thank you,

Let me know if this works...

Jerry,

I have Jason Smith, the Assistant Parliamentarian with the House of Representatives who is bringing a group of German Parliamentarians on May 5th to Old Post Office and was hoping for a ranger to meet them there and give a brief overview at 3:30pm.

I'm having a little bit of difficulty getting an answer. Can you please assist?

Thanks

Hi Elaine,

An hour would be extremely difficult. We are just now beginning the hiring process now that the freeze is lifted and we will not have full staffing yet. I can have a Ranger meet them and do a brief intro and some Q&A. We rotate positions hourly, one Ranger will be on Admin duty from 1510-1550 and could meet with them. The only other way would be for us to tap into Jerry's crew of Secretary Tour folks to come over and assist for this group.

Elaine, if there's any way we could get a dedicated ranger to meet us at that time, it would be really great. Let me know either way, and if turns out to be doable, I'd love to chat very briefly just to make sure I understand the logistics.

Thank you!

Jason,

The tours at the Old Post Office Building are self-guided but there are rangers once you get past the security guards who can answer questions.

No tickets are required - it's all on a first come basis. Tours are Thursday - Sunday from 9am - 4:30pm.

I can see if we can find a dedicated ranger to meet your group on May 5th at 3:30pm.

Thanks,

Elaine

Some of my colleagues and I are hosting 10 of our counterparts from the German Parliament from April 29 – May 7 as part of an official Congressional-Bundestag/Bundesrat exchange program. As part of the program, we are hoping to take the Germans on a guided tour of the Old Post Office Building, to include a visit to the bell tower. I called the NPS congressional liaison office for help in facilitating such a tour, and I was given your email address. Do you think that is something you could assist us with? We are specifically looking for late afternoon, around 3:30 or 4 p.m., on Friday, May 5.

Any assistance or further information that you can provide would be greatly appreciated. If it would be easier to discuss over the phone, please feel free to either send me your phone number or contact me at 202-225-7373 at your convenience.

I was able to reserve (2) seats for the Wilkins on the Secretary's van tour on **March 17th**.

They need to be at the Department of the Interior (DOI) 1849 C Street, NW - C Street lobby, no later than **8:45am**. The ranger will take the group to WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location TBD so guests can take a break or get lunch, then continue until **3:30pm**, ending at DOI C Street.

No strollers; wheelchairs or car seats are allowed.

Enjoy!

I just went online to look at the Capitol tours and right now - they are only booking through the end of July. They do have times from 2:50pm (15 people), 3pm (15 people); 3:10pm (15 people); 3:20pm (15 people).

Do you want me to book that on July 31? I don't know when August will open up.

**Elaine - what is the time frame for getting you the details for a possible White House Tour? Do you think we can get tickets for African American Museum for the morning of August 2?**

These are the tour stop that I have listed so far:

Please tell me how many will be in the group and how much time they have to tour.

The sites I can arrange for them to see are: WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

If they want to visit Fords Theater, I will have to arrange that separately since our rangers do not include that in our tours of the Mall.

Ranger Jerry Hawn will pick up the (b) (6) group (6) at DOI C Street lobby at 10am on June 8th.

Ranger Hawn will take them around to the Sites until approximately 1pm. That should give them enough time to see everything. If they choose to go longer, that will not be a problem!

Michelle - this is from the Site Manager.

If you expect they'd want to start the presentation at 5:30pm with 30 minutes of time for people to arrive after the site was closed, the only day of the week throughout June that would work would be Mondays as on Tuesdays the site would not be available for people to start going into the theatre until right after 5:30pm and Wednesdays through Fridays it would not be available for people to start going into the theatre until right at 6:30pm.

Jeff,

Jerry Hawn will be taking former NPS Director Fran Mainella and her guests on the van tour on Monday, June 5th at 10am. They also wanted to include Fords. Could you and Jerry work out a time that they can tour Fords - maybe 12pm?

Please let me know what works for you both.

Thanks

The challenge with the group desiring to conduct the visit with Mr Swanson either of those two Thursdays is that by the time group would be able to use the theatre, at probably around 6:45pm, NPS staff will have been normally off for an hour and a half. It would be preferred that the group utilize the theatre on either Monday(June 12 or 19) or Tuesday(June 13 or 20) of the initially proposed weeks to offer both a later start time for the group as desired but no incur a large amount of overtime cost by the NPS for monitoring the event. Michelle - this is from the Site Manager.

If you expect they'd want to start the presentation at 5:30pm with 30 minutes of time for people to arrive after the site was closed, the only day of the week throughout June that would work would be Mondays as on Tuesdays the site would not be available for people to start going into the theatre until right after 5:30pm and Wednesdays through Fridays it would not be available for people to start going into the theatre until right at 6:30pm.

With the 4:45pm scheduled performance the afternoon of Tuesday June 13th and 20th, the earliest they could expect to be able to start entering the theatre would probably be just after 5:30pm, depending on how many people attend the 4:45pm performance and how long it takes to clear the theatre.

How do these options sound? Looking at last years needs, do you know if Mr. Swanson again requests a podium and would it be expected that the talk would just consist of the theatre and no expectations for access to the museum or Petersen House?

Can you please provide more information and let me know what information you need from me? Is there a fee for the tour? We would prefer Monday, July 31st if possible or Tuesday, August 1st.

Jeff,

Jerry Hawn will be taking former NPS Director Fran Mainella and her guests on the van tour on Monday, June 5th at 10am. They also wanted to include Fords. Could you and Jerry work out a time that they can tour Fords - maybe

12pm?

Please let me know what works for you both.

Thanks

The challenge with the group desiring to conduct the visit with Mr Swanson either of those two Thursdays is that by the time group would be able to use the theatre, at probably around 6:45pm, NPS staff will have been normally off for an hour and a half. It would be preferred that the group utilize the theatre on either Monday(June 12 or 19) or Tuesday(June 13 or 20) of the initially proposed weeks to offer both a later start time for the group as desired but no incur a large amount of overtime cost by the NPS for monitoring the event. Let me know if any of those dates are a possibility.

Elaine,

They feel a later start time would actually be better, with the entire program just running about 1.5 hours total (max). That being said, would the 15<sup>th</sup> or 22<sup>nd</sup> of June work?

Michelle - this is from the Site Manager.

If you expect they'd want to start the presentation at 5:30pm with 30 minutes of time for people to arrive after the site was closed, the only day of the week throughout June that would work would be Mondays as on Tuesdays the site would not be available for people to start going into the theatre until right after 5:30pm and Wednesdays through Fridays it would not be available for people to start going into the theatre until right at 6:30pm.

We would like to host the same event this year, potentially on the evening of June 15 or June 22.

Would you be able to look into those dates and let me know if they are open and we could reserve the theater?

Hi, Elaine –

I hope you had a great weekend. The owner of MilitaryTimes, Michael Reinstein is coming to town to attend our Service Member of the Year Program.

With this in mind, this weekend, he asked me if there was anyway we could set-up a DC VIP tour for six members of his family between Jul 8<sup>th</sup> – 13<sup>th</sup>.

Since this is such a late minute request, I realize his options are limited but wanted to run this by you to see if you had any thoughts.

Ideally, they would love a White House tour. Again, I know it would be tough but I wanted to ask before I told him no.

With such a short window, is there any special tour we can arrange for him?

I appreciate any guidance you can provide on this matter.

I'll be sure to introduce you Michael during SMOY.

Did I tell you the CEO/President of the Fisher House Foundation, Ken Fisher is attending SMOY and delivering remarks? Let me know if you're interested in meeting him and I'll be happy to arrange it.

Best,

Rob

Rob,

I'm looking into some possible options. I'll get back to you.

Thanks

Hi, Elaine –

I hope you had a great weekend. The owner of MilitaryTimes, Michael Reinstein is coming to town to attend our Service Member of the Year Program.

With this in mind, this weekend, he asked me if there was anyway we could set-up a DC VIP tour for six members of his family between Jul 8<sup>th</sup> – 13<sup>th</sup>.

Since this is such a late minute request, I realize his options are limited but wanted to run this by you to see if you had any thoughts.

Ideally, they would love a White House tour. Again, I know it would be tough but I wanted to ask before I told him no.

With such a short window, is there any special tour we can arrange for him?

I appreciate any guidance you can provide on this matter.

I'll be sure to introduce you Michael during SMOY.

Did I tell you the CEO/President of the Fisher House Foundation, Ken Fisher is attending SMOY and delivering remarks? Let me know if you're interested in meeting him and I'll be happy to arrange it.

Best,

Rob

Rob,

Two things - I reserved (2) 15-passenger vans for your group on July 11. This way Mr. Reinstein and his family will be able to join the tour. I asked the Ranger to conduct this tour for 3-4 hours beginning at 10am. I hope this works!

I would be happy to try and arrange a WH tour for Mr. Reinstein and his family. Please have him fill this form out and send back asap and I'll send to a friend at the WH.

I would absolutely love to meet Ken Fisher! Thank you for arranging that.

Let me know if this will work for you and the Military Times group.

Also, I will probably need a VIP tour (if possible) on Wednesday, July 5 in the morning for Legendary singer - Sam Moore of "Sam & Dave". I'm not sure how many in his group - I'm guessing about 5 people, but I'll know more when I see them on Monday.

Thank you so much!!

Andrea,

I know it's busy, however, would you be able to reserve 3 passes for either Sunday, July 2 or Monday, July 3 for (b) (6)? This is requested by David Dietz with The NBA.

Also, I will probably need a VIP tour (if possible) on Wednesday, July 5 in the morning for Legendary singer - Sam Moore of "Sam & Dave". I'm not sure how many in his group - I'm guessing about 5 people, but I'll know more when I see them on Monday.

Thank you so much!!

July 11...Dennis Hubscher (from Presidents Park and Myself) will take out 2 vans for the Secretary tour with the Military times on a tour of the Park from 12pm-230pm (Pick up in front of WH visitor center on Pennsylvania Ave)

July 11...Catherine Cilfone is assigned to the Secretary Tour, but she can take a 15 passenger van out from 3pm-5pm with the Presidential Personnel group (Pick up for this will be in front of the WH visitor center on Pennsylvania Ave)

July 14...Janet Buerger will have the regular Secretary of Interior tour. I will take out a 2nd 15 passenger van with the 14 people from the family of Senator Burns (former Senator from Montana). Senator Burns is being buried at Arlington Cemetery, so these are all his family members. They will probably only want to go for 2-3 hours.

Monday, July 17...I will adjust my schedule to start work later in the day, so I will be able to take out a van tour for Andrew Guiliani, **Public Liaison and Intergovernmental Affairs** for the WH. **This tour will be in a 15 passenger van and will start at 6pm. This tour is for Mr Guiliani and Mr. Guiliani's family.**

July 11th - You have Military Times group. They just now got a WH tour which starts at 10:30am so they should be able to start their tour at 12pm and go until 2:30pm. Yesterday, the WH just added a group from Presidential Personnel to an afternoon tour so I thought when you got back from the Military Times tour at 2:30pm you could go in one van with the second group from 3-5pm? Could this work?

On Friday, July 14th we were asked to do the second van for the family of Sen Burns (MT). He is being buried at Arlington Cemetery, so these are all his family members. They will probably only want to go for 2-3 hours. Can that work?

Thank you so much! I've been meaning to call you but I've just been slammed and today I'm out!

We were wondering if you could help us. Tom and family will be in New York this weekend and was wondering if they could get a private tour of the 9/11 Memorial & Museum.

Let me know if you are able to assist, if not, we understand. Thank you and have a great day,

Tom Ricketts, owner of The Chicago Cubs, would like to visit the 9-11 Memorial on Saturday with his family and wondering if he could get a private tour? You arranged a great tour a few years ago for Don Hellmann, Melissa Kuckro and myself.

Is there anyway you can arrange? There are 5 or 6 in his family.

Hi Jay, nice to meet you via e-mail. Elaine Hackett gave me your information.

My boss, Tom Ricketts, is hoping to take his family (6 total) on a private tour of the 9/11 Memorial this Friday, July 14<sup>th</sup>, around 9am. They are going on a helicopter tour and need to be at the Manhattan Heliport by 11am so if 9am is not enough time please let me know. If Friday doesn't work they can do Saturday but prefer Friday. Let me know if this is possible and if so what you need from me.

Thank you, Lorraine

## U.S. CAPITOL TOUR

Welcome to the U.S. Capitol, where the U.S. House of Representatives and the U.S. Senate have met for more than two centuries.

Today, it stands as a monument not only to its builders but also to the American people and our system of representative democracy. Thank you for reserving a tour of the U.S. Capitol. We hope you enjoy your visit.

## PROHIBITED ITEMS

Before entering the U.S. Capitol Visitor Center, all visitors are screened by a magnetometer, and all items that are permitted inside the building are screened by an x-ray device. Visitors should keep their belongings with them at all times as unattended items may result in a disruption of service at the Capitol.

While certain exceptions for medical needs can be made, the following items are strictly prohibited:

- **Liquid, including water**
- **Food or beverage of any kind, including fruit and unopened packaged food**
- Non-aerosol sprays (Prescriptions for medical needs are permitted.)

## TIPS FOR VISITING THE U.S. CAPITOL

- As parking is limited on Capitol Hill, visitors are encouraged to use public transportation to reach the U.S. Capitol. Train (Metrorail) stations and bus stops are nearby – the Union Station and Capitol South Metrorail stops are the most convenient to the Capitol.
- Visitors enter the U.S. Capitol through the Capitol Visitor Center. The entrance is located beneath the east plaza of the Capitol.
- You must pick up your tour pass prior to the tour time printed on your confirmation letter. From March through August, please arrive at least 30 minutes early to complete the required security and screening process.
- To visit the Galleries of the Senate or House of Representatives, obtain separate passes from the offices of your Senators or Representative. International visitors may inquire about passes at the Senate or House of Representatives Appointment Desks located inside the Capitol Visitor Center.
- The tour of the historic Capitol includes a 45-minute guided walking tour as well as a 13-minute orientation film. Escalators and elevators are located near the public stairways, and wheelchairs are available upon request at the Visitor Center.
- Please take advantage of Exhibition Hall, the Restaurant, the Gift Shops and the other amenities at the Capitol Visitor Center before or after your tour.
- The U.S. Capitol is subject to the unscheduled suspension of tours.

Hi Kerrie,

Thanks so much for reaching out. We greatly appreciate your willingness to assist our group.

Our group will be staying in Big Sky, MT, close to the West Gate. We should have approximately 10-15 traveling to Yellowstone on August 1<sup>st</sup> in the morning. The group will mostly be adults, along with a few children (I believe they are all over the age of 10).

Recognizing some of our group may not want to commit to an entire day/fixed amount of time at the park, would it be possible for us to have participants arrive separately and meet one the ranger at a few select spots, perhaps for a hike or unique guided tour?

If possible, I'd love the opportunity to chat over the phone about this. Is there any chance we can talk tomorrow morning? I'm on the East Coast, so understand I'm a little ahead! I'm tied up tomorrow from about 9:00-11:00 Eastern, but my schedule is relatively flexible otherwise. If it's easier, feel free to call me any time on my cell at 518-929-6569.

Many thanks again for your assistance.

Best,  
Kate

**Subject:** Representative Reed's Upcoming Visit to Yellowstone

Good Afternoon,  
I was given your name as the contact for Representative Reed's upcoming visit to Yellowstone.

We understand that Representative Reed is staying at Big Sky and would like a tour on August 1. In order to make arrangements for his group, we have a few questions:

The group size will be 10-15 people traveling by bus or van which they have made arrangements for. Is this a family group, staffers, or others?

What time would they like to meet in West Yellowstone with the ranger who will be giving them the tour? The earlier they get started, the more likely they are to see more wildlife.

Will they be coming in and leaving the park through the West Entrance, or traveling through to another destination?

We are suggesting a tour of the Lower Loop (Old Faithful, West Thumb, Lake, Canyon/Brink of the Upper Falls, Norris back out the West Entrance) with lunch at either Grant or Lake.

Options for people who don't want to go on the tour could be to tour Norris Geyser Basin, Old Faithful, Canyon, or go on any of numerous short hikes in the area, fishing on the Madison between the West Entrance and Madison (would require a park fishing permit), or, there are lots of opportunities around Big Sky or West Yellowstone to do on their own. I would suggest they contact the local Chambers of Commerce for those communities if they want to spend time there.

Unfortunately, I will be out of the office July 21-30, but have copied members of our staff that will be assisting with this tour.

Thank you,

So, it sounds like you no longer need the tickets- is that correct?

Jerry,

Greg has called the Congressman's office and let them know we are full - I offered Friday since the Senate Western Caucus group has shrunk. They will get back to me.

I hope this email finds you well. I wanted to know was a way to add more people to this tour going out at 9:30AM on Thursday? The congressman and his spouse might want to add a couple more people.

Please let me know if this would be a possibility.

Our group is on the van list for 7 people for the VIP tour on Tuesday, August 1st for 7 people. I'm wondering if there is any chance we can add a family member to the van list to make it 8 total people?

So sorry for the last minute request! Our nephew's event canceled and he would like to come with us on the tour.

If there is not room, is there room for 8 on Wednesday the 2nd?

You can reach me on my personal email or call my cell at (b) (6).

I will also try calling on Monday morning.

Hi Elaine,

My old boss and good friend took this little known tour and I am contacting you to see if I can set this up for my visiting family. They have never seen DC and it would be a fantastic treat for them, especially since my brother has two knee implants and can't walk for long periods of time. Please let me know your thoughts on what can be done about this.

If you scan the email below, you can see what tour I am referring to and hopefully you will be able to help me out.

### [The Department of Interior](#)

It is the department of interior monument tour. Apparently they do it M-F now

Here are the details:

## [The Department of Interior](#)

After all my years in the city even I didn't know about this tour, so a shout out to my dear friend PB who shared the secret...The Department of Interior offers a VIP tour of the city's

main attractions. These tours can only be scheduled through your member of congress' office one month in advance. Because this tour is not well known, you may find your congressional office has never scheduled one, but it is a wonderful way to get an overview of the sites from a knowledgeable tour guide. If you have a child that is a history buff then this is the tour for you!

The tour is conducted by a U.S. Park Ranger in a 12 person van. On the tour you will see: The Washington Monument, Jefferson Memorial, Ford's Theater, FDR Memorial, World War II Memorial, Lincoln Memorial, Veterans Memorial, Korean War Memorial and Arlington Cemetery. The tour begins at the Department of Interior at 8:30 a.m. You will make a stop for lunch at a spot determined by the Park Ranger and you will be dropped off back at the Interior Department at 3:30 p.m.

Because of the limited space, car seats are not allowed on the van, but they will allow you to hold your child if that is something you are comfortable doing. Honestly this is not the best tour for young children and is probably best taken advantage of when your children are a bit older.

Best Regards,  
Jim

Nice to meet you! I have the (b) (6) (4) family down for the Secretary's VIP van tour on Monday, August 14th. They need to be at DOI C Street lobby no later than 8:45am. The ranger will come into the lobby and escort the group to the 13-passenger van - the sites they will visit are: WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location TBD so guests can take a break and get lunch if they choose - then continue on the tour until 3:30pm, ending at DOI C Street.

I have reached out to my contact at the Bureau of Engraving and Printing for a morning tour on Tuesday, August 15th. I will get back to you once she responds.

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

Hi Elaine,

My old boss and good friend took this little known tour and I am contacting you to see if I can set this up for my visiting family. They have never seen DC and it would be a fantastic treat for them, especially since my brother has two knee implants and can't walk for long periods of time. Please let me know your thoughts on what can be done about this.

If you scan the email below, you can see what tour I am referring to and hopefully you will be able to help me out.

### [The Department of Interior](#)

It is the department of interior monument tour.  
Apparently they do it M-F now

Here are the details:

## [The Department of](#)

## Interior

After all my years in the city even I didn't know about this tour, so a shout out to my dear friend PB who shared the secret...The Department of Interior offers a VIP tour of the city's main attractions. These tours can only be scheduled through your member of congress' office one month in advance. Because this tour is not well known, you may find your congressional office has never scheduled one, but it is a wonderful way to get an overview of the sites from a knowledgeable tour guide. If you have a child that is a history buff then this is the tour for you!

The tour is conducted by a U.S. Park Ranger in a 12 person van. On the tour you will see: The Washington Monument, Jefferson Memorial, Ford's Theater, FDR Memorial, World War II Memorial, Lincoln Memorial, Veterans Memorial, Korean War Memorial and Arlington Cemetery. The tour begins at the Department of Interior at 8:30 a.m. You will make a stop for lunch at a spot determined by the Park Ranger and you will be dropped off back at the Interior Department at 3:30 p.m.

Because of the limited space, car seats are not allowed on the van, but they will allow you to hold your child if that is something you are comfortable doing.

Honestly this is not the best tour for young children and is probably best taken advantage of when your children are a bit older.

Best Regards,  
Jim

JC,

Nice to meet you! I have the Larrance (4) family down for the Secretary's VIP van tour on Monday, August 14th. They need to be at DOI C Street lobby no later than 8:45am. The ranger will come into the lobby and escort the group to the 13-passenger van - the sites they will visit are: WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR and Jefferson Memorial.

The ranger will stop midday at a location TBD so guests can take a break and get lunch if they choose - then continue on the tour until 3:30pm, ending at DOI C Street.

I have reached out to my contact at the Bureau of Engraving and Printing for a morning tour on Tuesday, August 15th. I will get back to you once she responds.

Thanks

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

Greg and the Ranger waited and told Kyle to get on but he said he had a private tour, so the ranger left.

Just wanted you to know where the confusion was. The ranger never told him he could not go.

Shea,

I can put them on the tour September 14th which would make the tour (13) total but unfortunately, wheel chairs are not allowed. If you would prefer, I can add them to the Friday, September 15th tour. We only have (2) people on and if we add your (8), that would be a total of (10). The van holds a maximum of (13). I can see if the Ranger can make an exception and possible fit a wheel chair on, however, our vans are not wheel chair accessible.

Let me know what you think.

Thanks

Shea,

So I will confirm (7) guests on Thursday, September 14th. They would need to be at the Department of the Interior (1849 C Street, NW) C Street lobby, no later than 8:45am.

A park ranger will come into the lobby and escort the guests to the 13-passenger van. They will visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson.

Ranger will stop midday at a location TBD so guests can take a break and grab lunch if they choose, then continue the tour until 3:30pm - ending at DOI C Street.

Enjoy!

Shea,

I can put them on the tour September 14th which would make the tour (13) total but unfortunately, wheel chairs are not allowed. If you would prefer, I can add them to the Friday, September 15th tour. We only have (2) people on and if we add your (8), that would be a total of (10). The van holds a maximum of (13). I can see if the Ranger can make an exception and possible fit a wheel chair on, however, our vans are not wheel chair accessible.

Let me know what you think.

Thanks

Shea,

So I will confirm (7) guests on Thursday, September 14th. They would need to be at the Department of the Interior (1849 C Street, NW) C Street lobby, no later than 8:45am.

A park ranger will come into the lobby and escort the guests to the 13-passenger van. They will visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson.

Ranger will stop midday at a location TBD so guests can take a break and grab lunch if they choose, then continue the tour until 3:30pm - ending at DOI C Street.

Enjoy!

Hi Elaine,

Hope you're doing well up there. I wanted to come back to you about the tours for my friends that are coming in town in October. I would love to provide them with a White House tour as well as the VIP tour.

They could do the White House tour on Friday, October 6th and then the VIP tour Monday, October 9th. Let me know what you need from me and I'll get it to you ASAP!

Thanks Elaine!

Thank you for this. They're actually going to try and get a West Wing tour and they have a friend at the FBI that can get them in.

A tour would be nice especially if we could do a more “behind the scenes” tour and possibly a visit to the Secretary’s office???

Most of us have been to DC several times and have toured all of the monuments/memorials, but a guided tour might add a different twist.

I will be with my family (wife, daughter and mother) along with 3 of my AGC (Associated General Contractors) officers. So, there could be a total of 8-10 of us. Let me know if you need any information for security purposes.

Scott may have mentioned to you, but I work with Dave Zinke at Knife River!! We are back in DC for some Leadership Meetings and visits with our Congressmen. Any help you can provide would be very much appreciated.

Quick question...what should we wear? We have business attire (suits) or casual for touring (shorts). Either is good with our entire group. I'm assuming that business casual at a minimum if we visit the Secretary's office?

Morning Elaine,

Wanted to confirm Friday, 20 OCT, is still a go for the ranger guided tour for UK and other foreign DVs.

Also, is there a set time each Friday morning the tour begins, or could a specific start time be requested?

The actual delegation is being solidified over the next 7-10 days. I'm in town from now until 22 OCT, so easy to reach.

Would it be possible to secure a ranger guided monuments tour for 6, 8, or 10 officials on Friday morning, 20 October? I would likely accompany, or at the least be there at DOI to send them off. Would be great to have you there.

Hey Elaine:

Happy weekend! Boy, it has been crazy at work...I can't even make it over to the weekly OLCA meetings because of projects. Hope all os well with you.

Next weekend, I have a dear friend, (b) (6), and a handful of her (b) (6) colleagues making their way to D.C. for tours of NPS museums and others. (b) (6) is an Olympian and wonderful track athlete and she is extremely excited to see the African American Museum. I wonder Elaine if you might be able to help with setting up a private tour for her and the other athletes - I will probably be with them. I heard from her last night that she was coming and I thought about asking you of this as it came to my mind. I asked her what day she was looking at seeing the Museum and she will get back with me real soon and then I can let you know when.

I don't want to put you in a bind Elaine so if this cannot be done, I totally understand.

Thanks so much Elaine and I will be in touch soon.

Will you be with them? Will I get to see you? I sure hope so!

Also, is there a set time each Friday morning the tour begins, or could a specific start time be requested?

The actual delegation is being solidified over the next 7-10 days. I'm in town from now until 22 OCT, so easy to reach.

Hi Elaine,

My name is America and I am a staff assistant for Congressman Bishop's office. I wanted to ask if your office offered a VIP tour of the monuments. We had a constituent reach out to us about getting a VIP tour through a congressional office and I had not heard of one before but if they are able to that would be awesome.

Please let me know if this is a thing that is possible and how I can go about setting one up for him, thanks!

We have a 13-passenger van that takes guests M-F from 9am - 3:30pm, to all the monuments and memorials on the national mall - WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK; Jefferson and Old Post Office tower.

The van departs the Department of the Interior - 1849 C Street, NW (C Street lobby).

We book tours a month in advance and we do not allow strollers/wheelchairs/walkers or car seats.

Let me know if you would like to request.

Hello Elaine,

Just getting out of the SCIF here. The Lord Prior and party's schedule has some significant changes developing based on several meeting hard times.

If I cannot get a solid/safe commitment by 8:00pm, will contact you to turn off the tour. The multiple hands in the US program have been a challenge.

I apologize for the inconvenience of the uncertainty.

It remains  
TBD of the

will be in the delegation.

Would it be possible to secure a ranger guided monuments tour for 6, 8, or 10 officials on Friday morning, 20 October? I would likely accompany, or at the least be there at DOI to send them off. Would be great to have you there.

Thanks so much for this update, Lauren, and great that the second trip has been scheduled as well. I'll stand by for the program agendas as I'd love to pass along these dates to Rep. Womack's scheduler today. Although the House is scheduled to be in session on both 11/6 and 11/7, it's possible that a member of his district staff might want to participate, and it's always good to make them aware of these opportunities.

Elaine and Kyle, I'll be sure to keep you both in the loop on my outreach with the Congressman's office.

Please feel free to reach out with any questions and thanks again to Lauren for all of your support!

Hi, Julie! My apologies for the delayed response. I've just returned to the office after several days in the field.

We've just confirmed November 6 and 7 for Holcomb Elementary's field trips. I'll be working on the program agendas today and will pass those along to you when they are ready. Estimated arrival time is 10:00 AM with departure around 1:30 PM.

Thank you!

Would you mind also sharing the arrival/departure times for students and which program they'll be completing?

Thanks, Lauren! Unfortunately, the House will be in session on 11/7 so it is unlikely that the Congressman would be able to participate on that date. If the park is comfortable, I could share this date with his scheduler and see if any district staff would be interested in representing Rep. Womack on the trip.

I'd also be interested on the second date, as well. Do you have any sense of how soon that might be scheduled? If it is in the next week or so, I can hold off and reference with the Congressional calendar to assess if it might work for the Congressman.

Thanks again for the update!

Hi, (b) (6)

Tuesday, November 7, will work out well for the smaller group of 52 students. Would you all like to do a couple different activities while you're here? We could break the students up into two smaller groups. One group could do the Lost Valley hike in the morning while the other group takes a tour of the historic Boxley Grist Mill. We could reconvene for lunch at Lost Valley and then switch locations for the afternoon. Between these two activities, we'd cover watersheds/hydrology, the unique geology and ecology of the Buffalo River system, and the early settlement history of the Ozarks. What do you think? Also, what time would you arrive/depart (using Lost Valley Trailhead near Ponca as our meeting place)?

We have two staff members in this district of the park. 52 students (plus teachers/chaperones) would be a manageable number for the two of us. However, we could request staff support from other districts of the park if you want to bring out the whole 4th grade. Just let me know what you'd like to do!

The funding won't arrive for another couple of weeks, so we'll arrange your reimbursement through the O.U.R. co-op once those funds are received.

This is Lauren Ray at Buffalo National River. Thank you for your

email regarding the field trip grant! The National Park Foundation recently awarded a grant to the Ozarks Unlimited Resources Educational Services Cooperative (O.U.R.) and Buffalo National River to help offset transportation costs for 4th grade classes to visit the park for field trips. While these funds are prioritized for the 16 school districts within the O.U.R. co-op, we haven't gotten much buy-in from those districts, so I would be open to helping out Fayetteville students and teachers!

During a field trip to the Newton County portion of Buffalo National River, students would have the opportunity to explore Lost Valley Trail, which is full of fascinating rock formations and geology. We could offer a guided tour of the historic Boxley Grist Mill, which was the lifeblood of industry in the otherwise agrarian community of Boxley Valley in the 19th and early 20th centuries. We could also explore Beaver Jim Villines' homestead and investigate the way of life for a fur trapper and trader.

Our calendar is filling up quickly for October, but I do have Friday the 27th and Monday the 30th open. Otherwise, November has a lot of availability. Do you have an estimate of your transportation costs to and from Ponca, AR? I will check in with the grantors and see if they're willing to expand our "market" to include Fayetteville. I know they were trying to link Congressman Womack's schedule with one of our fall field trips, so if all goes well, he might join us for this program.

### VIP Ticket Protocol

Office of the Secretary of the Interior  
and

Statue Cruises – The National Park Service authorized provider of tickets to Liberty and Ellis Islands.

Background: Ten (10) tickets on Monday, Wednesday and Friday mornings will be set aside by Statue Cruises from their ticketing reservation system for use by the Office of the Secretary of the Interior. Tickets holders will have access to the ferry, pedestal observation deck and crown of the Statue of Liberty as well as the National Museum of Immigration at Ellis Island.

#### Procedure:

- The Office of the Secretary will reach out directly to the Statue Cruises group ticketing office at (201) 432-6321 and provide names of up to ten guests to receive complimentary tickets each Monday, Wednesday and Friday. Names must be provided at least one week prior to the desired departure date. Reservations will be taken by Statue Cruises up to six months in advance. The Statue Cruises group ticketing office is staffed Monday through Friday.
- Guests will pick up their tickets at 10:00 a.m. at the Statue Cruises crown ticket holder window inside Castle Clinton at Battery Park, Manhattan. Guests will show ID in exchange for tickets and will be issued a wrist band by Statue Cruises staff identifying them as crown ticket holders. Guests then proceed to the ticket holder queue to security screening and the next departing boats.
- Upon arrival at Liberty Island, guests will proceed to the monument entrance with their tickets. Only the following items are permitted inside the Statue of Liberty: one camera per person (no camera bags or cases); any necessary medication. The following common items must be secured in a locker: keys, writing instruments, purses, camera bags, camera cases, backpacks, shopping bags, any food and drinks, and any item that may impede progress on the staircase. Children must be at least four feet tall to visit the crown.
- A complimentary audio tour is offered on both Liberty and Ellis Island. All boats stop at Ellis Island before returning to NY. Boats depart every 20 minutes. Statue of Liberty National Monument and Ellis Island is open every day except December 25. In the event of closure due to weather or emergency conditions, tickets will be honored for the next available day. Guests should contact the Office of the Secretary to re-book their visit.

Good Morning Missy,

We are still working to hopefully line up a West Wing tour. I just talked to the lady who manages our special tours, and she hasn't heard back from her counterpart at the White House yet. She says that probably means our go to partner is still trying to work it out; she would have already said no if it for sure wasn't possible.

Obviously, the White House tour is still Plan A, but would Dr. Feulner's friends be interested in a monuments tour as a Plan B? I can arrange a monuments tour for the group on Friday if so. The tours are led by a Park Ranger, who'll drive the group around all of the major DC monuments (Roosevelt, Korea, Washington, Lincoln, JFK, Jefferson, etc) in a van, stopping to get out and explore at each site. I haven't been yet, but I've only heard good things from the people who have. Even if they've already seen the sites, I imagine it's something different to have a private tour with a park ranger.

Again, we're still working on the West Wing option, but I've preemptively held four spots for Friday for Dr. Feulner's friends. If you don't think they'd be interested, I'll just release the holds no problem. If it's something you think they might enjoy, could you send me their names? I can send more information and a tentative itinerary too.

Warmly,

Elinor

She says that probably means our go to partner is still trying to work it out; she would have already said no if it for sure wasn't possible.

Obviously, the White House tour is still Plan A, but would Dr. Feulner's friends be interested in a monuments tour as a Plan B? I can arrange a monuments tour for the group on Friday if so. The tours are led by a Park Ranger, who'll drive the group around all of the major DC monuments (Roosevelt, Korea, Washington, Lincoln, JFK, Jefferson, etc) in a van, stopping to get out and explore at each site. I haven't been yet, but I've only heard good things from the people who have. Even if they've already seen the sites, I imagine it's something different to have a private tour with a park ranger.

Again, we're still working on the West Wing option, but I've preemptively held four spots for Friday for Dr. Feulner's friends. If you don't think they'd be interested, I'll just release the holds no problem. If it's something you think they might enjoy, could you send me their names? I can send more information and a tentative itinerary too.

Warmly,

Elinor

Dear Friends,

I would also like to thank you all for your help in trying to find someone who might be available to give a White House tour to the Feulner friends next week. I have been checking my e-mail every half hour in the hope of learning that one of you was able to find someone who could help us. I feel particularly badly because the first request was made on September 20 and somewhere between then and now, the Wednesday date for a possible tour was dropped from our requests and was just not noticed.

I remain hopeful that someone will be found but in the meantime, I just wanted to send my thanks to all of you. Rest assured if I receive a positive response from one of you, I will notify everyone else right away.

All the best,

Missy

The visit to Ellis Island has been arranged for Congressman Will Hurd has been arranged for Thursday, January 4th

Visitation has been extremely high this week and last week and the wait in line has been up to two hours, so instead of tickets, I am adding his name to the security list at the white screening tent in Battery Park.

**Battery Park - The Security Screening tent is located near Castle Clinton**

(<https://www.statuecruises.com/plan-your-trip/directions>)

White Security Screening Tent - When you arrive at the screening tent, please go to the front of the line (*do not wait in line*) and inform the staff that you are on the security list. They will facilitate your access through security screening to the ferry. (will need 15-20 minutes to go through security) (*airport style*)

**2:10 pm** - Depart Battery Park (<https://www.statuecruises.com/departure-schedule#/>)

Note: Ferry stops at Liberty Island first (*please stay on the ferry*)

**Ellis Island** - Upon arrival on Ellis Island, please go into the Museum and go to the **Information Desk**. Park Ranger **Danelle Simonelli** will provide a tour.

Please note: the weather may cause delays or closure. Please the Statue Cruises website for updated information about the status of the Park: <https://www.statuecruises.com/#/>

Is his interest only visiting Ellis Island or is he wanting to visit Liberty Island too?

Thanks!

Ben,

Hope you had a great Christmas. I'm reaching out because Rep.Hurd would like to get a private tour of Ellis Island either next Friday(1/5) afternoon or first thing next Saturday(1/6) morning.

This is high on his priority list so I'm happy to work with whoever at DoI to get this done. Additionally, I have cc'd our Executive Assistant Nancy who is happy to coordinate times.

Best,  
Chris

Visitation has been extremely high this week and last week and the wait in line has been up to two hours, so instead of tickets, I am adding his name to the security list at the white screening tent in Battery Park.

**Battery Park - The Security Screening tent is located near Castle Clinton** (<https://www.statuecruises.com/plan-your-trip/directions>)  
White Security Screening Tent - When you arrive at the screening tent, please go to the front of the line (*do not wait in line*) and inform the staff that you are on the security list. They will facilitate your access through security screening to the ferry. (will need 15-20 minutes to go through security) (*airport style*)

**2:10 pm** - Depart Battery Park (<https://www.statuecruises.com/departure-schedule#/>)

Note: Ferry stops at Liberty Island first (*please stay on the ferry*)

Good morning Jerry. I just relayed the specifics of your e-mail to Laura, tour coordinator for Rep. Arrington. He is the Representative for the Gunn (2) I also gave her your cell number in order that she may call you when their WH Tour has concluded. Thank you so much Jerry for going the extra mile. As always, you've exceeded the norm.

Hello Jerry. Gunn (2) may be participants of the Tour. They have a WH tour that day and will possibly want to join at some point during that day. Which Ranger will be taking the Tour out on Jan. 24th? Is it possible to get their phone number so that the Gunn party can reach out to find out which monument the participants will be at the time the Gunn's finish the WH Tour. Thank you.

Elaine,

I know you may have previously coordinated with Michelle Reinshuttle. My name is Adriana and I am Rep. Tom Rooney's new scheduler. Mr. Rooney asked me to contact you because he will be visiting Hawaii Volcanos National Park in Hilo on Monday, April 2<sup>nd</sup>. He said that because he is an appropriator of the funds that go to the National Park Service in the past he has been able to have a private tour set up for him and his family. Their time frame for the whole thing is 1pm-6pm, which it obviously does not have to go for that long, but that is the window. Anything you can do would be helpful – Michelle set me up with your email so hopefully I am asking that right person!

Thanks!

Adriana,

I can arrange for tickets for the USS AZ Memorial, however, it's pretty much just a self-guided tour that takes about 70 minutes. They have to watch a video, then go out on a short boat ride and back. They do not have staff to personalize a tour, however, there will be a Ranger that can answer any questions they should have.

The USS *Arizona* Memorial Program theater line begins forming 10 minutes prior to the ticket time printed on the tickets. A 23-minute documentary film sets the tone for the visit to the USS *Arizona* Memorial. Visitors then board a boat for a contemplative ride to the USS *Arizona* Memorial. No restroom facilities are available on the boat or at the memorial. Afterwards, visitors may continue their tour in the Visitor Center. The entire program is 70 minutes.

I will have their tickets reserved for them. Remind me how many are in the group.

Thanks

I am so sorry to bother you during this very busy, however, I have a request for you from a key Committee staffer to NPS.

Would you be able to arrange. Floor tour for the (b) (6) family of (6) on either 4/2 or 4/6? The children are all of age (I believe).

I promise not to bother you again for awhile!

Thank you and take care!

I am so sorry to bother you during this very busy, however, I have a request for you from a key Committee staffer to NPS.

Would you be able to arrange. Floor tour for the (b) (6) of (6) on either 4/2 or 4/6? The children are all of age (I believe).

I promise not to bother you again for awhile!

Thank you and take care!

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Stivers' participation on either date with the Superintendent and the Midwest Region. Would it be possible for you to run this through those channels?

I'll hold off on reaching out to Rep. Stivers' office about these opportunities until we've gotten the all-clear from the Supt. and Region - please feel free to call me to discuss and thank you again!

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Good morning Julie,

I do have two changes:

Parkmoor Elementary scheduled for October 19 is trying to reschedule that date. So, of the two dates, October 19 and 20, only the 20th has a school program.

And finally, Tuesday, October 31 now has Bremen Elementary from Lancaster, OH scheduled for 10:30 - 2pm

I look forward to hearing from you!

Thanks so much, Susan! Given the Congressional recess calendar, I'm guessing the best trips for Rep. Thanks also for keeping me posted on any changes/additions!

Here is the description I have of field trips from last year. Could you please make any necessary adjustments for this year's program:

Upon arrival, students are divided into smaller groups. Each group will participate in the following activities:

- **Orientation film** - Mysteries of the Ancient Architects: Students view the park's 19-minute film, which provides a snapshot who these people were and explores the monumental earthworks that they constructed during the middle woodland period.
- **Mound Tour** - (30-45 minutes): A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.

I'm also copying in Elaine Hackett and Kyle Earnest with NPS' Office of Legislative and Congressional Affairs for their awareness. Elaine manages Congressional visits and Kyle handles the Midwest region. At this point I'm having just a preliminary discussion with Congressman Stivers' office, but they did seem very interested in having him participate in an upcoming visit. I also want to ensure you've have the opportunity to give your Superintendent a heads up about the possibility of the Congressman's participation.

Thank you for supplying the additional information at your convenience and for all of your help!

Much appreciated,  
Julie

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm

pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Thank you so much for coordinating the tour!

See below from (b) (6) ...

Thanks again!!!

I simply cannot tell you how great today was...

Elaine put us together with Karen Schmitt from Congressman Bridenstein's office who took us on a private tour which included the floor of the House! She was so great and took us to places I've never expected to see and had all kinds of wonderful stories and information!

Hi Elaine- hope you are well. It is good to see you when I'm at DOI these days and awesome you get to work closely with Rick. I mentioned last I saw you that we have about 100 CEOs in town for our annual flyin the week of April 16. A few of them will be in town that Monday and Thursday for our board meetings and I was hoping to set up something special for them and their families. It could be as small or as big of a group as you think works. I have done the ranger-guided national mall tour before and it really is awesome. Would you be able to help us set that up for Monday April 16 in the afternoon or Thursday April 19 in the morning? I'm happy to get you any additional details you would need, and I know these folks will really appreciate anything you can accommodate.

Thanks so much and I hope you can come to our hill events and receptions that week!

I simply cannot tell you how great today was...

Elaine put us together with Karen Schmitt from Congressman Bridenstine's office who took us on a private tour which included the floor of the House! She was so great and took us to places I've never expected to see and had all kinds of wonderful stories and information!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park. Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Thank you all for your support and coordination!

Hi Susan,

Thanks so much for sending these dates along - looks like you've got a lot of great trips on tap for this May! In reviewing the calendar and participating schools, I'd be interested in extending the May 3rd and May 11th field trips to Rep. Stivers' office - both fall during House recess, and Buckskin Elementary and Washington Elementary also fall within Rep. Stivers' district.

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Stivers' participation on either date with the Superintendent and the Midwest Region. Would it be possible for you to run this through those channels?

I'll hold off on reaching out to Rep. Stivers' office about these opportunities until we've gotten the all-clear from the Supt. and Region - please feel free to call me to discuss and thank you again!

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Good morning Julie,

I do have two changes:

Parkmoor Elementary scheduled for October 19 is trying to reschedule that date. So, of the two dates, October 19 and 20, only the 20th has a school program.

And finally, Tuesday, October 31 now has Bremen Elementary from Lancaster, OH scheduled for 10:30 - 2pm

I look forward to hearing from you!

Thanks so much, Susan! Given the Congressional recess calendar, I'm guessing the best trips for Rep. Thanks also for keeping me posted on any changes/additions!

Here is the description I have of field trips from last year. Could you please make any necessary adjustments for this year's program:

Upon arrival, students are divided into smaller groups. Each group will participate in the following activities:

- **Orientation film** - Mysteries of the Ancient Architects: Students view the park's 19-minute film, which provides a snapshot who these people were and explores the monumental earthworks that they constructed during the middle woodland period.
- **Mound Tour** - (30-45 minutes): A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - (20-30 minutes): A guided tour of the museum talks about the 2,000 year-old artifacts excavated from the Mound City

Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.

- **Atlatl Demonstration** - (20-30 minutes): Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

I'm also copying in Elaine Hackett and Kyle Earnest with NPS' Office of Legislative and Congressional Affairs for their awareness. Elaine manages Congressional visits and Kyle handles the Midwest region. At this point I'm having just a preliminary discussion with Congressman Stivers' office, but they did seem very interested in having him participate in an upcoming visit. I also want to ensure you've have the opportunity to give your Superintendent a heads up about the possibility of the Congressman's participation.

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park.

Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Julie

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. I'm pleased to share an upcoming opportunity on Friday, May 11, when Washington Elementary (Circleville) fourth graders will be visiting from 10:00am - 1:30pm. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** -Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

Karen,

Thanks for fielding this request. I am hosting a group from the Black Forest National Park in Germany the week of April 16-20. We are entering into a Sister Park Arrangement with them. I will be joined by the Director and Public Affairs Officer for Black Forest National Park, as well as the Consul General for the U.S. Consul in Frankfurt. There should just be the four of us.

My request is for some sort of guided tour of the Mall on Friday, April 20. We will be at Main Interior on April 19 for some meetings and a signing ceremony, then staying the night in DC. I don't have anything particular in mind, but I think the German delegation will be interested to learn more about the diversity of

national park sites and how NAMA fits into the overall agency identity and serves as America's backyard (or is it a front yard?).

We have all day Friday available, so time frames and locations are entirely flexible. Whatever works for you all will be great for us.

Thanks for considering this request. Just let me know if I can provide additional information or planning support.

Jessica,

I can get a van just for your group on April 16th. We can have them in the C Street lobby and the Ranger can take them to all the sites on the Mall - WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

They can go for 3-4 hours or longer. What do you think? What time would they want to start - 9:30am?

13 would be great and would be the max we would have. I'm sure they would be fine walking or loading in a van (does NPS provide one or would we need to rent it?) These folks are pretty active so if walking is easier, we could definitely do that.

Let me know what other information you would need,

Hi Jessica!

How many people do you think will want to tour the Mall sites? Our van only carries 13 people.

Would they consider a walking tour or will you have transportation for them? If so, I could have a ranger step on the bus and

give an interpretation for them.

Let me know what you think.

I really appreciate the info. I am adding our scheduler Sara Donlon to this message to see if that date could work for the Congressman's schedule. She will be in touch soon.

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. I'm pleased to share an upcoming opportunity on Friday, May 11, when Washington Elementary (Circleville) fourth graders will be visiting from 10:00am - 1:30pm. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** - Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

Julie

Hi Susan,

I wanted to share an update that we've received indication from Rep. Stivers' office that it is unlikely he will be able to participate in the field trip on 5/11. They have not confirmed this 100% yet, but he does have a pre-existing commitment on that day. I'll be sure to let you know if anything changes.

I'd also love to try and offer another opportunity for him to participate if at all possible. Per the schedule you shared back in March, the rest of the scheduled trips are set for when the House is in session and the Congressman will be in DC. I wondered if there have been any changes/additions to the schedule since then?

Many thanks for any updates at your convenience, and thanks so much for all of your work thus far to coordinate. We really appreciate your willingness to accommodate these visits (despite their scheduling challenges) in addition to all the great work you do!

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Thanks so much, Susan! Given the Congressional recess calendar, I'm guessing the best trips for Rep. Stivers would be the 10/19 and 10/20 options, as the House will be in session for the remainder of these dates. Could you confirm that all of these trips are being funded through NPF's grant? Thanks also for keeping me posted on any changes/additions!

Here is the description I have of field trips from last year. Could you please make any necessary adjustments for this year's program:

Upon arrival, students are divided into smaller groups. Each group will participate in the following activities:

- **Orientation film** - Mysteries of the Ancient Architects: Students view the park's 19-minute film, which provides a snapshot who these people were and explores the monumental earthworks that they constructed during the middle woodland period.
- **Mound Tour** - (30-45 minutes): A guided tour of the Mound City Group explains how the people of the

Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.

- **Museum Tour** - (20-30 minutes): A guided tour of the museum talks about the 2,000 year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - (20-30 minutes): Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

I'm also copying in Elaine Hackett and Kyle Earnest with NPS' Office of Legislative and Congressional Affairs for their awareness. Elaine manages Congressional visits and Kyle handles the Midwest region. At this point I'm having just a preliminary discussion with Congressman Stivers' office, but they did seem very interested in having him participate in an upcoming visit. I also want to ensure you've have the opportunity to give your Superintendent a heads up about the possibility of the Congressman's participation.

Thank you for supplying the additional information at your convenience and for all of your help!

Much appreciated,

Julie

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide

more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Amy,

So The National Archives responds directly to the constituent and gives them all the details about the tour - she may have already gotten something from them. That tour was for 9:45am. I also reserved tickets for them at Fords Theatre for 2pm.

Since our NPS van tours start at 8:45am, it will be difficult for her to do the Ranger led tour. Will she be here the following day and I can put her on the van tour with a Ranger? These other two sites are independent from our tours. Let me know.

Thanks

Hi Mike!

Thanks for returning my call earlier. Like I said, my boss is going to have some family in town from August 7<sup>th</sup> – 15<sup>th</sup>. I believe there will just be three family members in town – two adults and one 10-year-old boy. They specifically mentioned seeing the Washington Monument, which I believe is closed for the next year, correct? Besides that, I think just want to go around and look at the major monuments and memorials around the National Mall and Tidal Basin.

Any information and help you can provide would be greatly appreciated!

Hi Mike,

I emailed you last week about arranging a private tour of the monuments for my boss' family in August. I just found out that he also has family coming up to DC in May and he would like to arrange a private tour of the monuments and the mall for them as well. There would be 5 people and they would prefer that the tour be Friday, May 18<sup>th</sup> in the afternoon. Any help you could provide in arranging this would be much appreciated!

Hi Mike,

I emailed you last week about arranging a private tour of the monuments for my boss' family in August. I just found out that he also has family coming up to DC in May and he would like to arrange a private tour of the monuments and the mall for them as well. There would be 5 people and they would prefer that the tour be Friday, May 18<sup>th</sup> in the afternoon. Any help you could provide in arranging this would be much appreciated!

Thanks,

Sarah Feeney

Chrisa,

So sorry to bother again, but my friend, actor Joe Mantega asked me to arrange some tours for Josh Hinkle - Producer of *Hollywood Weapons* on the Outdoor Channel. He will be in DC with family and would like very much to tour the National Archives the morning of May 23. There are (8) total and his email is:

(b) (6)

His phone number is (b) (6) .

Would it be possible to get on the docent led tour?

thanks

My name is Park Ranger with the National Mall and Memorial Parks. The Park received the following email from you...

*Hello, Several friends have recommend a guided tour of the monuments during our visit to DC this summer. When I searched for activities/events during our dates (7/3 - 7/7), the site said there were no events for those dates. We would love to schedule a Park Ranger tour on the 5th or 6th. What are the next steps (ie. through Congressman Yoder KS)? Please advise, thank you!* (b) (6)

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

With as much driving that we are doing this is the only thing that may fit in. This is pending a good early morning start and a timely departure from MT Rushmore. John

Good morning! I received this request from the Scheduler for Rep. John Shimkus (IL). Is there anything you can assist with? There are 3-5 adults (18 and older).

Thank you?

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

Good afternoon!

We wanted to be sure we send a response to this request this week, Cheryl has been very busy this week.

We would like to pass along that this is our busiest visitor day of the year, on July 3rd we have all of our activities occurring, will attach our draft itinerary for the day (the most current itinerary will be posted to our park web page closer to July 3rd). Since this is our busiest day of the year, all staff working on this day are here to support the day itself, we are unable to provide any sort of private tour on that day.

We would also like to pass along, there is a time change between here and Sioux Falls, we are in the Mountain Time zone, Sioux Falls is Central Time. This may impact the time they have figured needed to reach Sioux Falls in 5 and 1/2 hours (better to think of that travel taking closer to 6 hours).

Please pass to Representative Shimkus that we hope he and his family are able to visit on July 3, 2018, but we would be unable to provide any additional services on that day. We really hope they enjoy their visit to Mount Rushmore National Memorial!

Yes - we can modify this tour to your needs since I blocked July 9th and July 10th for your group. Once you know which day you want, let me know so I can release the other.

For a half day, you can go from 9am until 12pm or 12:30pm or 1pm until 4pm. Our full day tours are from 9am until 3:30pm or 4pm with an hours break. The Rangers usually take the groups to the golf course at Haines Point where they have a really neat place to order food and you can sit indoor or outside.

You will visit WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

Thanks!

Hi Elaine,

Will you please let me know how long a half day tour is?

Also, if we opt for the full day tour, does that include an hour for lunch?

Thank you!

Alicia,

Thank you! I will hold both days for you and once you confirm the date, I will release one day.

I'll request two vans for the tour but once you know more, we can discuss timing - do you want the full day tour 9am until 3:30pm or half a day?

Thanks,

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over the years. I look forward to working with you!

Kind regards,

Hi Elaine,

We received a voicemail from a woman named (b) (6). She and her family have a tour scheduled for June 27 through the DOI/NPS VIP tour program that was arranged through their Congressman. Unfortunately on that date they already had arrangements to meet with Senator Feinstein and can't move it. She asked if it's possible to move their date sometime between June 25-July 2. Her number is (b) (6).

I am happy to arrange for you. Is this your family!

I will need names of everyone and since the 3 children are under 16, do you happen to know how old they are?

The tour is always set for 10am, but you will also be able to tour Liberty Island and Ellis Island.

Thanks and glad I can assist you!!

Kathy,

Here is a copy of the procedure that we follow: I think it's pretty cool - my daughter and her boyfriend and I are going to make our way back to NYC this summer to do!

Ticket holders will have access to the ferry, pedestal observation deck and crown of the Statue of Liberty as well as the National Museum of Immigration at Ellis Island.

**Procedure:** Guests will pick up their tickets at 10am at the Statue Cruises crown ticket holder window inside Castle Clinton at Battery Park, Manhattan. Guests will show ID in exchange for tickets and will be issued a wrist band by Statue Cruises staff identifying them as crown ticket holders. Guests then proceed to the ticket holder

queue to security screening and the next departing boats.

Upon Arrival at Liberty Island, guests will proceed to the monument entrance with their tickets. Only the following items are permitted inside the Statue of Liberty: one camera per person (no camera bags or cases); any necessary medication. The following common items must be secured in a locker: keys, writing instruments, purses, camera bags, camera cases, backpacks, shopping bags, any food and drinks and any item that may impede progress on the staircase. Children must be at least four feet tall to visit the crown.

A complimentary audio tour is offered on both Liberty and Ellis Island. All boats stop at Ellis Island before returning to NY. Boats depart every 20 minutes. Statue of Liberty National Monument and Ellis Island is open every day except December 25. In the event of closure due to weather or emergency conditions, tickets will be honored for the next available day. Guests should contact Elaine Hackett in the Office of the Secretary to re-book their visit.

I hope you come to DC during the All-Star week!

Take care and hope to see you soon!

She booked her original tour through Rep. Huffman's office and I cancelled her June 27th tour and I'm totally booked until the second week in July.

I'm letting Rep. Huffman's office communicate with her since they originally booked her.

Thank you!

(b) (6) called back and asked if the 26th is available. She has only 3 people now who would be joining. She also asked if there is a list of sites that are visited.

Thanks,

Hi Elaine,

We received a voicemail from a woman named (b) (6). She and her family have a tour scheduled for June 27 through the DOI/NPS VIP tour program that was arranged through their Congressman. Unfortunately on that date they already had arrangements to meet with Senator Feinstein and can't move it. She asked if it's possible to move their date sometime between June 25-July 2. Her number is (b) (6).

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over the years. I look forward to working with you!

The contact person for the group would be Officer Scott Earhardt. The total number would be 6 if there is room next Thursday or Friday (6/21 or 6/22). If not on those days, I would guess that it would be 5 since Officer Earhardt would not be able to attend.

Scott's wife's family is up (b) (6) and he is trying to make this visit truly special for them.

I would totally understand if there is nothing available but Dennis Hubscher indicated that there is no harm in asking. I would love for him to do the tour if that is possible - he is one of our BEST interpreters!

Thanks so much for the contact information. Unfortunately, they are not conducting guided tours on July 3rd, 4th or 5th while we are in town. You mentioned that programming info/dates for July would be updated in June, but no new July information is available on the site.

Do you know what sessions/times you will offer programs the first week of July?

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Hi Elaine,

As you can see, we have a call scheduled with the Library of Congress on Monday at 2:30pm to discuss Mr. Mandela's additional availability beyond his lecture with the Librarian of Congress, Dr. Hayden, on June 27th. We are hoping you might be able to give us an idea about the potential speech by Mr. Mandela in discussion at the African American Museum to commemorate Nelson Mandela's Centennial, before we speak to Bryonna on Monday, so we know more about how to allocate Mr. Mandela's schedule.

I also wanted to provide you with some additional information about Mr. Mandela, as well a link to a recent interview he did in Canada where it was discussed how bookmakers have dubbed him the next Madiba:

[https://www.youtube.com/watch?v=pYEns\\_UdIQM](https://www.youtube.com/watch?v=pYEns_UdIQM).

Ndaba moved in with his grandfather in 1993, at age 11 (when Nelson sent Ndaba's parents off to University), shortly before Nelson Mandela became president, and he lived with Nelson continuously (other than when he went to University) until his death in 2013. Ndaba took the last known photo of Nelson Mandela at their home with Ndaba's son sitting on Nelson's lap. See <http://www.dailymail.co.uk/news/article-2520016/WORLD-PICTURE-EXCLUSIVE-The-final-portrait-At-home-Johannesburg-hand-hand-great-grandson--picture-Nelson-Mandela-revealed-boys-father.html>.

When Ndaba moved in with his grandfather in 1993, he was the only child staying with Nelson Mandela under his roof for the first year, which also encompassed part of the first year of Mandela's presidency. Nelson raised Ndaba as his own son, and groomed him to be the future leader of the country. Ndaba's mother passed away of HIV in 2003 and his father (Nelson Mandela's only surviving son) passed away of HIV in 2005.

Ndaba is Nelson Mandela's second eldest grandson. He became the patriarch of the Mandela family, and next in line of the Mandela's to be President of the African National Congress, when his outspoken older half brother Mandla, was disowned by Nelson and the rest of the family shortly before Mandela's death, and the grandson designated by Nelson Mandela to deliver the eulogy at his funeral was changed to Ndaba. <https://www.cbsnews.com/video/nelson-mandelas-obituary-read-by-his-grandson/>. Ndaba has no communication or affiliation with his half brother.

Finally, any speech to commemorate Nelson Mandela's centennial that is delivered in coordination with the White House and its invite list, the White House will receive a copy of the speech beforehand.

I have copied my colleague, Alexandra McNair.

Thanks,

They need to be here at the Department of the Interior - [1849 C Street, NW](#) (C Street lobby)  
no later than 8:45am.

They will tour until 3:30pm. They stop for lunch usually at Haines Point at the little sandwich shop at the golf course.

No strollers, car seats or wheelchairs!!

The contact person for the group would be Officer Scott Earhardt. The total number would be 6 if there is room next Thursday or Friday (6/21 or 6/22). If not on those days, I would guess that it would be 5 since Officer Earhardt would not be able to attend.

Scott's wife's family is (b) (6) and he is trying to make this visit truly special for them.

I would totally understand if there is nothing available but Dennis Hubscher indicated that there is no harm in asking. I would love for him to do the tour if that is possible - he is one of our BEST interpreters!

Just let me know!

Hi Elaine:

Hope all is well with you.

We don't conduct private tours during the season, as it disrupts the tour schedule and casts a negative light on the person requesting (the visitors can see what's going on and then begin asking questions). We had a similar request from Senator Bennet's staff in 2013, and declined it as well. What we did was include the senator's group on a regular tour, and that's what I'd recommend with Rep. Garamendi's group.

We can place them on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works.

Hi Elaine,

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

Sincerely,

Hi Elaine,

That's amazing, thank you so much! After talking to the Congressman, would it be possible to place the group of 23 on the 9:30am tour of the Cliff Palace and on the 11:30am tour of the Balcony House for July 4<sup>th</sup>? A group of 10 is also interested in the 9am Long House tour for July 5<sup>th</sup> if that is possible. They are aware of the fees and happy to pay them. Please let us know if this would be possible, thank you so much!

Sincerely,

Jennifer

Jennifer,

The Superintendent just got back to me and said they do not do private tours however, they can place the group on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works

Hi Elaine,

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

A representative of the Garamendi party can stop by the Visitor and Research Center (near the park entrance) to pay for and pick up the tickets. The Visitor Center is open from 7:30 a.m. to 7 p.m.MDT each day. Advise them it's better to pick up the tickets before entering the park.

Each person should be able to climb ladders up to 30 feet in height, and, for Balcony House, crawl through a 2 foot diameter tunnel that is about 10 feet long.

How are you? I've been on back to back trips so I feel like I haven't seen anyone!

My friend reached out to me to see if she could request a VIP tour for her former boss. I don't know the protocol on this so please forgive me if those are reserved for folks or if I need to do anything different to request a tour.

They are looking to do a tour of the monuments for next Friday afternoon, July 6th for two adults and [\(b\) \(6\)](#). Their names are, Michael Long and [\(b\) \(6\)](#).

You can use this email for the reservations if needed: [\(b\) \(6\) @gmail.com](#).

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorials. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

## Harry Yount National Park Ranger Award

The Harry Yount Award honors those rangers who consistently perform the traditional, generalist ranger duties of protecting parks' natural, historical, and cultural resources and serving park visitors – and who excel in the eyes of their peers. These rangers form the heart of the Ranger Corps, reflecting its high standards and commitment to the National Park Service mission. Their leadership and willingness to do the tough jobs well – with style, grace, appreciation, and humor – serves as a role model for all park rangers. Since 1994, the national Harry Yount Award has been presented to an individual nominated by his or her peers for demonstrating an “excellence in the art and science of rangership.” The recipient exemplifies the highest commitment to Harry Yount’s ideals “to see that game is protected from wanton slaughter, the forest from careless use of fire, and the enforcement of the other laws, rules, and regulations for the protection and improvement of the park.”

## The George and Helen Hartzog Awards for Outstanding Volunteer Service

George B. Hartzog, Jr. served as the Director of the National Park Service from 1964 to 1972 and created the Volunteers-In-Parks (VIP) program in 1970. In retirement, he and his wife, Helen, established a fund to support the program and honor the efforts of volunteers. This national awards program began in 2002 to recognize the time, talents, innovation, and hard work contributed to national parks through the VIP program. In 2017, nearly 316,000 volunteers donated more than 7.2 million hours of service assisting the National Park Service in its mission.

## The Wes Henry National Wilderness Stewardship Award

The Wes Henry National Wilderness Stewardship Award recognizes outstanding contributions to wilderness stewardship by an individual or group. Wes Henry dedicated his life to the preservation of wild lands. The former National Park Service Wilderness Program Manager was committed to finding innovative ways to educate others about the value of these special places and reflected an unwavering devotion to help connect people to their wilderness heritage.

Lenny, Jennifer,

There will only be 2 Wes Henry Award recipients in attendance as (Dan Pulver) will be out of country on Aug 2. Dan's supervisor, Louise Milkman, will accept the award on Dan's behalf. We would like to include the two recipients in attendance (Roger Robinson and Ashely Northcutt) in the tour.

Thanks,

I also copied Jennifer Hughes at NPF as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials... Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6) leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

Hi Everyone,

I attached the [list of award recipients](#) who will be attending the ceremony.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might

be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (b) (6)

I will be out of the office till the 17th but can be reached through my cell.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Everyone,

This is a followup to my last email. There are 5 Wes Henry Award Recipients attending the ceremony and 4 attending the tour, bringing us up to 27 attending the tour. I am going to see if I can obtain a van from NCR....(I attached a [revised Excel Spreadsheet](#)).

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Jackie. Lenny., Jennifer,

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Thank you,

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (907)315-0501.

I will be out of the office till the 17th but can be reached through my cell.

Thanks, Roger

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPF as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

The tour and times sound great - I think a 9AM or 10AM start time is fine, depending on your recommendation Jerold - Lenny did you have thoughts on this?

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point

which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Everyone,

I attached the [list of award recipients](#) who will be attending the ceremony.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Jackie. Lenny., Jennifer,

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Thank you,

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (907)315-0501.

I will be out of the office till the 17th but can be reached through my cell.

Thanks, Roger

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials... Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorials. The

other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Subject: George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>  
Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6), leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

Ok well I can actually request a mural tour in the afternoon if they get a morning WH tour.

Let me know! We can be flexible with that tour but not the van tour which is 9am - 3:30pm.

Let me know!

Allie,

There is a hold on the tour for 7/25 (by The Secretary). I asked him whether he needed this date and he was going to check for me. I will still put them down for that day and if anything changes, I'll let you know.

What is the last name of the couple? If I can confirm them, they would need to be here at the Department of the Interior - [1849 C Street, NW](#) (C Street lobby) no later than 8:45am.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The tour will end approximately 3:30pm at the Department of the Interior.

Thanks

Allie,

I'm so sorry I didn't get to be there - I had a very last minute request from family to help them out, so I had to help them.

I will definitely go to the Cat/Griz watch party!

We have the Secretary's VIP van tour each day except for weekends and federal holidays that take 13 guests maximum from 9am until 3:30pm to all all the sites on the national mall if that would work, or the DOI Museum does a mural tour of the building which is really nice. It lasts about 90 minutes and very interesting.

The Museum staff can do more people on this tour. Any interest?

I hope you are doing well! I sure missed you at the Montana State Society Testy Fest! We are having a Cat/Griz watch party this fall – be sure to mark November 17 on your calendar! On another note – a few leaders from the Great Falls Public Schools administration office will be in D.C. next week for an education conference. I just got wind of it so I know the timing might be a little tight. Do you have any ideas for tours for them? I am working on a White House and Capitol Tour through Congressman Greg Gianforte's office – any other ideas? I know you are always the gal to count on for tours in DOI! Elaine:

Details are:

Date: Wednesday, August 15, 2018

Time: 2:30pm to 3:30pm

Attendees: Congressman Anthony Brown (MD4), his wife (Karmen Walker-Brown), and up to two staff members (Ben Wolff and/or Nichelle Schoultz).

Site: Harriet Tubman Underground Railroad National Historic Park & Visitor Center (Cambridge, MD).

My thought is that the visitors center is the best thing for him to see, as it is new. I haven't been out there myself so I don't know what else there is nor how much time the visitor's center takes up.

Not sure what other detail you need but I am happy to provide it. I can be reached at 301.458.2600 or 202.768.0514.

Congressman Brown will be on the Eastern Shore of Maryland next week. We want to arrange a VIP tour of the Tubman Historical Park visitor center on Wednesday the 15<sup>th</sup>, around 2:30pm.

Please let me know if you have any questions or if there is another person I should speak to about this. Ideally once we identify the best person to set this up I could have a phone conversation with them to go over logistics and content.

Thanks!

Hi Ben,

I'm so sorry that I missed this! Your email went into my spam and I am just seeing it now. Were you able to arrange something for the Congressman? If not, we can certainly try to arrange something in the future. Elaine Hackett (copied) is our Congressional Liaison so you can always reach out to her to arrange any park visits.

Thanks,

Susan

The evening ranger will be Steve Hazelton and he will meet the group at 6:30pm. Will that work?

Hi Elaine,

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issuu?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issuu?e=34115463/63466753)

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs

that are open to the public. The 2018-2019 ranger program schedule is not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

He was looking for some options for skiing/lodging and other sights things they should do for 3-5 days.

He mentioned he might fly into Park City, but that's sort of a drive in either direction. He doesn't matter which park he visits first, but if you could help me with some options, that would be greatly appreciated!

I mentioned to David Vela when I saw him earlier and he said you all would be able to give me some great info.

Mr. Secretary:

The parks were hoping you have some dates set for your visit.

This will help them do more planning for you. January and February are the best months for skiing.

Here is a little bit of information for now from Yellowstone. I will have more for you and also from Grand Teton.

Have a great day!

It looks as if our dates have slipped to Q1 of 2020. That should give us some time to plan and make good reservations ahead of time.

Will be in touch around Jan-Feb of 2019.

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs that are open to the public. The 2018-2019 ranger program schedule is

not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

Thanks Elaine,

It looks as if our dates have slipped to Q1 of 2020. That should give us some time to plan and make good reservations ahead of time.

Will be in touch around Jan-Feb of 2019.

**From Yellowstone National Park:**

Hi Elaine,

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issue?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issue?e=34115463/63466753)

Subject: 2 Dec: Request for VIP Tour

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Happy Thanksgiving!

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Hi Diane,

Thanks so much for following up, and for your patience while NPS determined timing for field trips at WWII Valor in the Pacific NM.

I'm pleased to share an upcoming opportunity for Senator Schatz's participation on **Thursday, January 24, 2019**, when students from Leihoku Elementary will be visiting from approximately 8:45am-12:00pm.

Students will arrive at the Lanai Visitor Center at 8:45am for a brief welcome and orientation. Between 9:15am-9:45am, they'll divide into two groups and rotate through two activities; a virtual reality simulation, and guided tour of the park's shoreside exhibits. From 10:00am-11:15am, students will watch an educational video before boarding a U.S. Navy Boat to visit the USS Arizona Memorial. Students will return to the Lanai Visitor Center at 11:20am and complete a final debrief activity before eating lunch at 11:30am and departing for their school at 12:00pm.

The park and its education partner, Pacific Historic Parks, would be delighted for Senator Schatz to participate in as much or as little of the trip as his schedule permits. We'd be happy to work with you on a detailed run of show outlining his participation including a brief introduction and photo opportunity tied to any of the activities above. If the 1/24/19 date is not convenient, we'll also be happy to keep you apprised as the park schedules additional trips this spring. Finally, I should note that staff for Senator Mazie Hirono have expressed interest in upcoming opportunities at the park, and we'll be sharing the 1/24/19 opportunity with her staff as well.

We sincerely appreciate Senator Schatz's interest in this opportunity. Please let me know if the 1/24 trip would be of interest and if so we'll look forward to coordinating next steps!

Thanks again,  
Julie

Hi Diane,

Hope you're doing well. A quick update that I've been in touch with NPS and their partners at Pacific Historic Parks, who are still in the process of determining dates for upcoming field trips associated with NPF's grant, likely later this fall. I'll be happy to pass along specific opportunities as soon as those are confirmed.

Many thanks for your patience and please stand by!

Hi Chris,

Hope you're doing well. I'm thrilled to share that as part of the National Park Foundation's [Open OutDoors for Kids program](#), NPF awarded a \$10,000 grant to World War II Valor in the Pacific NM. Funds will connect 1,000 students from Leihoku, Ma'ili, Makaha, Nanaikapono, Nanakuli, and Wai'anae elementary schools to the park for educational activities including a walk through the Pearl Harbor Shoreside exhibits, viewing a documentary film on the Pearl Harbor attack, and boarding a U.S. Navy shuttle boat to ride to the memorial. Visits will conclude with a reflection activity at the Contemplation Circle area. Trips will take place this fall and in spring 2019.

NPF is awarding over \$2.3 million to transport more than 200,000 students from underserved

communities to national parks and public lands for place-based learning during the 2018-2019 school year.

We'd be happy to help arrange for Senator Schatz to participate in upcoming field trips to see programs in action. If this would be of interest, please feel free to connect me with your scheduling staff and I'll be happy to coordinate additional details. We'd also be delighted if he would like to spread the word about NPF's grants via social media and have included suggested language, attached. As always, we're happy to amplify posts from NPF's channels.

Please feel free to reach out with any questions and thanks for Senator Schatz's support.

**SUBJECT: White House Easter Egg Roll**

**I. INTRODUCTION**

The White House Easter Egg Roll traditionally is the first Monday after Easter and takes place on the south lawn of the White House. The White House and National Park Service oversee this event.

**II. BACKGROUND**

The White House Easter Egg Roll began on Easter Saturday in 1878 with President Rutherford B. Hayes and has been a tradition ever since.

The White House Visitors Office and National Park Service, President's Park, plan the logistics for the online ticketing lottery and they also provide an allotment of tickets to Cabinet Members and their families; Members of Congress and their families; The Department of the Interior and some military families.

The event is usually from 8am until 6pm and tickets are timed. Over 500 volunteers assist with various aspects of the event from handing out wristbands, face painting; egg roll; assisting with storytelling; physical activities; musical entertainment or handing out the commemorative wooden eggs at the end of each timed session.

**SUBJECT: National Tree Lighting Ceremony**

**III. INTRODUCTION**

The National Tree Lighting Ceremony (formerly called the Pageant of Peace), traditionally takes place the first Thursday of December on the White House Ellipse.

**IV. BACKGROUND**

The National Tree Lighting Ceremony has been a tradition for over 94 years, beginning with President Calvin Coolidge. President Coolidge lit a 48 foot fir tree decorated with 2,500 red, white and green electric light bulbs while a local choir and a quartet from the US Marine Band performed. This 94 year old American tradition continues to bring people together with a message of peace and hope.

The highlight of the National Tree Lighting Ceremony is the President and First Family flipping the switch to light up the tree. General Electric has been designing the Christmas Tree since 1963 and donating the lighting and decorations.

This event has become so popular that a ticket lottery system has been established for the public to attend. Santa and Mrs. Clause and a variety of entertainment perform for this event.

**SUBJECT: Secretary's VIP Van Tour**

## **V. INTRODUCTION**

This is a ranger-led tour of WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR; Jefferson Memorial and Washington Monument. Guests are driven in a 13-passenger van by the park ranger. This is an all day tour M-F from the Department of the Interior – C Street, beginning at 9am -3:30pm ending at C Street.

## **VI. BACKGROUND**

The Secretary's VIP Van Tours began in the early 1980's and guests were driven by a park ranger in a car. Due to the popularity of the "word of mouth" tour, NPS now provides a van for the tour. What makes this tour so unique is the ranger drives as close as possible to each site so there is minimal walking for the guests.

This VIP tour is requested by Congressional Offices on behalf of their constituents. Tours are booked one month in advance and tour operates M-F except federal holidays, Cherry Blossom and the week between Christmas and New Year. Tours are booked through the Secretary's Office.

Guests are required to arrive no later than 8:45am at the C Street lobby. The ranger will come into the lobby with a list of guests for the day and depart at 9am from C Street. Ranger will stop midday for a break at a location TBD so guests can get lunch or take a break then continue the tour until approximately 3:30pm - ending at C Street.

The van is not wheel chair accessible. Walkers, car seats and strollers are not allowed!

**SUBJECT: Wolf Trap Park for the Performing Arts**

## **VII. INTRODUCTION**

Wolf Trap Park for the Performing Arts is the only national park for the performing arts. The NPS in Partnership with Wolf Trap Foundation oversee the venue. The Filene Center is an open air concert venue with over 100 performances during the summer season.

## **VIII. BACKGROUND**

The Secretary of the Interior has Box 29 with (8) seats for his use. Traditionally, the Secretary has used the box to entertain White House; Executive Branch; Legislators and others. In addition, any unused seats are made available to employees.

**Directions:** From DC, it is located 26 miles west on I-66 or Route 267 (Dulles Toll Road) which requires a toll or it is 16.9 miles on the George Washington Memorial Parkway.

**Parking:** The Secretary and/or guests will be provided a parking spot in the “circle” which is in front of the box office.

The day before a performance we email the list of guests to Duane Erwin (NPS) and MaryLynn Haase (Wolf Trap Foundation). They will send confirmation letter and instructions to guests.

Wolf Trap Foundation will provide tickets for the Encore Lounge to the Secretary’s guests for refreshments before and after the shows.

Attached is the listing for the current performances for the 2017 season. In late April, a few more performances will be added.

Hi Amanda!

I hope you are doing well and enjoying your new job! It was great talking to you today.

Greg Tabish owns Great Western Petroleum, a gas and oil distributorship in Missoula. His father in law, Chip Erdmann, is the Chief Judge of the US Court of Appeals for the Armed Forces. He is retiring and coming to DC for his passing of the gavel ceremony. They are requesting a Secretary Tour on May 22<sup>nd</sup> or 24<sup>th</sup>, for four individuals.

Caitlin Dorman will be willing to talk to you about this family and another family's request for the Secretary Tour. Her direct line is (b) (6)

I hope once you are settled, we can go to lunch.

Amanda,

Among other policy items, I'd like to catch you on, there is a constituent family interested in a monument tour from Secretary Zinke. Is that something he'd or someone else appropriate would/could do? I'm not sure if that's a thing or not. But we heard it could be. I've included Christy, cc'd, in our office who's coordinating with the family. Can you put us in touch with the most appropriate person?

Thanks! and hope to chat soon on other items!

Dan,

Just an fyi - I reached out to Scott Pearson and he gave me some times and dates that work best for him so I confirmed that Ranger Jerry Hawn will take the group out for a VIP tour on **March 29th from 12pm - 4pm**. Ranger Hawn will meet them in the C Street lobby.

He already has a Capitol tour scheduled so I asked if he was interested in a Fords Theatre tour. Just waiting for him to get back to me.

Dan,

(b) (6) and family got off on their tour at noon.... nice family! I arranged a tour for them tomorrow at Fords Theater.

FYI - I don't know if I mentioned, but I arranged a tour for Speaker Ryan and his family to the Grand Canyon on April 13 (spring break).

Caroline,

I put the group of (4) under (b) (6). They are reserved for **April 24**. They will need to be in the C Street lobby no later than **8:45am**. A Ranger will come into the lobby and have a list of guests for the day.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln Memorial; FDR; MLK and Jefferson Memorial.

The Ranger will stop midday at a location TBD, so guests can take a break or get lunch. They will continue the tour until approximately **3:30pm**, ending at DOI C Street.

Enjoy!

Yes! Just let m know name of VIP and I will get my Supervisory Ranger to take them around to the sites.

Afternoon Elaine,

Is this an advance team for an official visit or a tour for personal reasons? If it's a personal visit, we are specifically prohibited by law from soliciting or accepting gifts from a prohibited source due to ethics laws. The boats to/from the island are under a concessioner and not under the control of NPS.

I recommend you contact the concessioner ([Alcatraz Cruises](#)) directly, who runs the ticketing program. Two recommended points of contact are: Denise Rasmussen ([drasmussen@alcatrazcruises.com](mailto:drasmussen@alcatrazcruises.com)) or Antonette Sespene ([msespene@Alcatrazcruises.com](mailto:msespene@Alcatrazcruises.com)).

As you may know, the tickets tend to sell out about 90 days prior to embarkation.

Let me know if I can be of any further assistance.

Enjoyed the rehearsal concert tonight! As we discussed, my parents' best friends (they have known me since about age 3) are coming into town at the end of next week with their granddaughter and a friend. Do you have room for a Secretary's VIP tour for the four of them on Friday, July 14? Also, they are available Thursday after around 11:00 a.m. if it's possible to get them on a Ford's Theatre and Bureau of Engraving Tours. They already have a tour set for Saturday for the Holocaust Museum.

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

Rusty-

Thanks buddy. The last name is (b) (6) , party of 4 (b) (6) I doubt that they would want to leave the Monument tour early. The BEP tour would be great on Tuesday morning, or whatever you decide. Please let me know what additional information that you will need.

Elaine,

Thanks for getting back to me last week. I left you a VM over the weekend and wanted to follow-up with an email.

A tour would be nice especially if we could do a more "behind the scenes" tour and possibly a visit to the Secretary's office???

Most of us have been to DC several times and have toured all of the monuments/memorials, but a guided tour might add a different twist.

I will be with my family (b) (6) along with 3 of my AGC (Associated General Contractors) officers. So, there could be a total of 8-10 of us. Let me know if you need any information for security purposes.

Scott may have mentioned to you, but I work with Dave Zinke at Knife River!! We are back in DC for some Leadership Meetings and visits with our Congressmen. Any help you can provide would be very much appreciated.

Thanks,  
Brian Gray

Dear Todd and Maureen,

The USO will be hosting its annual Gala next month on October 19. As part of the evening program, we honor 8 service members (one from each branch of the military and two volunteers both overseas and in the US) who have shown exceptional bravery and heroism. Each of those service members will be invited to join us in DC for exclusive tours prior to the Gala.

I wanted to touch base to see whether your office might be able to help coordinate a special tour of some of the national monuments around the Mall and possibly Arlington House. This will be the first time these honorees have visited Washington.

We would like to have the tour for 18 people (the service members and their families who will be traveling with them.) The USO will have its own small shuttle to transport the honorees. We wanted to explore the possibility of having someone from the NPS accompany the group or meet them at the identified monuments based on a

schedule we'd coordinate with you in advance to

include the World War II Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial, the Lincoln Memorial and the Jefferson Memorial.

In addition, we wanted to explore the possibility of having Secretary Zinke meet with the group briefly and give them a tour of his office at the Department of the Interior if his schedule permits.

Please let me know if you have any questions or need further information. I am happy to provide additional detail and scheduling parameters if necessary.

Thank you for the consideration!

Hi Ryan,

I am Going to be Washington D.C. 10/5 & 6.

Would like to visit with you if at all possible?

Or, if your planning a Montana visit, let me know.

Will be there attending a conference with other Montana business owners & reps such as GPI & Xanterra.

The purpose for this conference is to discuss the J-1 student visa exchange program that all us employers in Montana use to fulfill our employment needs during the Summer months.

This program is ONLY eligible to university students and the visas are typically 90 to 120 days long.

Currently, I am being told that this program may be canceled or eliminated in the very near future.

You & I have discussed this topic in the past and was hoping to have a few minutes of your time to share my thoughts and visit with you.

Hope all is well with you & your family,

Brian

Elaine:

Below is information on Our American Girl you can forward to Secretary Zinke and his scheduler. This provides them with information on time, locations and flow. Your contact that day is our Outreach Coordinator Becky Berton, cc'd on this email. She can be reached day or at 606.465.6998 should you need anything. Do not worry about having tickets in hand for Saturday – Becky will ensure the Secretary's name and guest number are at registration when they check in and can provide any materials to them then.

I have also copied our Director of Security, Mario Bignotti on this email. Mario's team can assist Secretary Zinke's security detail on Saturday, November 18 and also provide assistance to Ms. Sanders detail when we determine that date.

Hi Elaine,  
Happy Thursday.

I have no clue if it is even possible, but my boss and I are both BIG Reba fans, and if tickets were available, we would be all about that. I am friends with Micah Chambers, Aaron Thiele, and Faith Vander Voort. I think you and I may have even met, but I am not entirely sure.

Anything you can do would be great. If not, absolutely no worries.

Elaine,

Thank you so much for putting me on the list. I want to introduce you to my boss, the legislative director of the American Legion. The secretary gave him a private tour of the Lincoln memorial at night a few months ago.

He's interested in the Reba McEntyre concert. I owe you big time for even considering the request. Let me now if I can ever be of help. Thank you!!!!

Dear Scott:

I hope that you are well. I am writing to ask for a favor from you and Secretary Zinke. A family friend from the Czech Republic and his family are coming to DC in October of this year. He is the Administrator of [\(b\) \(6\) of South Moravian Region of the Czech Republic](#). His name is (b) (6) and he is responsible for the return of family property (land, paintings, jewelry, art, homes, etc.) from when they were taken first by Germany in WWII and then by the Communists after. He is also Deputy Mayor of Tynec, a village and municipality (obec) in (b) (6)

I would like to ask if you could arrange for a Park Service Guided Tour of the DC monuments for (b) (6) and his family (7-people total) on **Monday, October 16, 2018**. Please let me know if you can make this work. They will have a translator. It would be a great gift that I would not forget.

Thanks for considering this request. I look forward to hearing back from you about it. In the meantime, if you have any questions or comments, please do not hesitate to contact me. The best way to reach me is via email or on my mobile at (b) (6)

Sincerely,

(b) (6)

Hi Elaine- hope you are well. It is good to see you when I'm at DOI these days and awesome you get to work closely with Rick. I mentioned last I saw you that we have about 100 CEOs in town for our annual flyin the week of April 16. A few of them will be in town that Monday and Thursday for our board meetings and I was hoping to set up something special for them and their families. It could be as small or as big of a group as you think works. I have done the ranger-guided national mall tour before and it really is awesome. Would you be able to help us set that up for Monday April 16 in the afternoon or Thursday April 19 in the morning? I'm happy to get you any additional details you would need, and I know these folks will really appreciate anything you can accommodate.

Thanks so much and I hope you can come to our hill events and receptions that week!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park. Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Thank you all for your support and coordination!

Hi Susan,

Thanks so much for sending these dates along - looks like you've got a lot of great trips on tap for this May! In reviewing the calendar and participating schools, I'd be interested in extending the May 3rd and May 11th field trips to Rep. Stivers' office - both fall during House recess, and Buckskin Elementary and Washington Elementary also fall within Rep. Stivers' district.

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Stivers' participation on either date with the Superintendent and the Midwest Region. Would it be possible for you to run this through those channels?

I'll hold off on reaching out to Rep. Stivers' office about these opportunities until we've gotten the all-clear from the Supt. and Region - please feel free to call me to discuss and thank you again!

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Good morning Julie,

I do have two changes:

Parkmoor Elementary scheduled for October 19 is trying to reschedule that date. So, of the two dates, October 19 and 20, only the 20th has a school program.

And finally, Tuesday, October 31 now has Bremen Elementary from Lancaster, OH scheduled for 10:30 - 2pm

I look forward to hearing from you!

Stivers would be the 10/19 and 10/20 options, as the House will be in session for the remainder of these dates. Could you confirm that all of these trips are being funded through NPF's grant? Thanks also for keeping me posted on any changes/additions!

Here is the description I have of field trips from last year. Could you please make any necessary adjustments for this year's program:

Upon arrival, students are divided into smaller groups. Each group will participate in the following activities:

- **Orientation film** - Mysteries of the Ancient Architects: Students view the park's 19-minute film, which provides a snapshot who these people were and explores the monumental earthworks that they constructed during the middle woodland period.
- **Mound Tour** - (30-45 minutes): A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - (20-30 minutes): A guided tour of the museum talks about the 2,000 year-old artifacts excavated from the Mound City

Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.

- **Atlatl Demonstration** - (20-30 minutes): Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

I'm also copying in Elaine Hackett and Kyle Earnest with NPS' Office of Legislative and Congressional Affairs for their awareness. Elaine manages Congressional visits and Kyle handles the Midwest region. At this point I'm having just a preliminary discussion with Congressman Stivers' office, but they did seem very interested in having him participate in an upcoming visit. I also want to ensure you've have the opportunity to give your Superintendent a heads up about the possibility of the Congressman's participation.

Thank you for supplying the additional information at your convenience and for all of your help!

Much appreciated,  
Julie

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park.

Kyle and Elaine, please let me know if you have any concerns with me following up with Rep. Stivers' office about the 5/11 opportunity with you both cc'd. I'll be happy to reach out once I've heard from you both, and will keep the full group apprised on what we hear back.

Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

**Subject:** EKIP at Hopewell Culture NHP

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Julie

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. I'm pleased to share an upcoming opportunity on Friday, May 11, when Washington Elementary (Circleville) fourth graders will be visiting from 10:00am - 1:30pm. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** -Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

Julie

Karen,

Thanks for fielding this request. I am hosting a group from the Black Forest National Park in Germany the week of April 16-20. We are entering into a Sister Park Arrangement with them. I will be joined by the Director and Public Affairs Officer for Black Forest National Park, as well as the Consul General for the U.S. Consul in Frankfurt. There should just be the four of us.

My request is for some sort of guided tour of the Mall on Friday, April 20. We will be at Main Interior on April 19 for some meetings and a signing ceremony, then staying the night in DC. I don't have anything particular in mind, but I think the German delegation will be interested to learn more about the diversity of

national park sites and how NAMA fits into the overall agency identity and serves as America's backyard (or is it a front yard?).

We have all day Friday available, so time frames and locations are entirely flexible. Whatever works for you all will be great for us.

Thanks for considering this request. Just let me know if I can provide additional information or planning support.

Jessica,

I can get a van just for your group on April 16th. We can have them in the C Street lobby and the Ranger can take them to all the sites on the Mall - WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

They can go for 3-4 hours or longer. What do you think? What time would they want to start - 9:30am?

13 would be great and would be the max we would have. I'm sure they would be fine walking or loading in a van (does NPS provide one or would we need to rent it?) These folks are pretty active so if walking is easier, we could definitely do that.

Let me know what other information you would need,

Hi Jessica!

How many people do you think will want to tour the Mall sites? Our van only carries 13 people.

Would they consider a walking tour or will you have transportation for them? If so, I could have a ranger step on the bus and

give an interpretation for them.

Let me know what you think.

I really appreciate the info. I am adding our scheduler Sara Donlon to this message to see if that date could work for the Congressman's schedule. She will be in touch soon.

Hey Nick,

Hope you're doing well! I wanted to circle back from our discussion a few months back about Rep. Stivers' participating in a field trip at Hopewell Culture National Historical Park. I'm pleased to share an upcoming opportunity on Friday, May 11, when Washington Elementary (Circleville) fourth graders will be visiting from 10:00am - 1:30pm. Students will travel to the park using NPF's transportation grant, and will participate in the following activities:

- **Park Orientation Film** - Students view the park's film, "Mysteries of the Ancient Architects," which provides a snapshot of the people of the Hopewell culture and explores the monumental earthworks they constructed during the middle woodland period.
- **Mound Tour** - A guided tour of the Mound City Group explains how the people of the Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.
- **Museum Tour** - A guided tour of the museum explores 2,000-year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

Rep. Stivers would be welcome to participate in as much of the trip as his schedule permits. The park would also be delighted if a member of his district staff would like to attend on his behalf. I'm happy to answer any questions and have also cc'd Elaine Hackett in NPS' Office of Legislative and Congressional Affairs, as Elaine manages Congressional park visits. If Rep. Stivers or his staff are interested in joining, we'd be thrilled to coordinate additional details.

Feel free to give me a call to discuss and thanks for your consideration of this opportunity!

Julie

Hi Susan,

I wanted to share an update that we've received indication from Rep. Stivers' office that it is unlikely he will be able to participate in the field trip on 5/11. They have not confirmed this 100% yet, but he does have a pre-existing commitment on that day. I'll be sure to let you know if anything changes.

I'd also love to try and offer another opportunity for him to participate if at all possible. Per the schedule you shared back in March, the rest of the scheduled trips are set for when the House is in session and the Congressman will be in DC. I wondered if there have been any changes/additions to the schedule since then?

Many thanks for any updates at your convenience, and thanks so much for all of your work thus far to coordinate. We really appreciate your willingness to accommodate these visits (despite their scheduling challenges) in addition to all the great work you do!

Fantastic! Thanks so much, Susan, and great speaking with you just now.

To confirm for the full group, we have sign-off from Supt. Harris to extend the opportunity to Rep. Stivers' staff for the Congressman's participation in the field trip on 5/11 with Washington Elementary (Circleville, OH) from 10:00 am - 1:30pm. The region has also been notified of this possibility.

We will **not** share the 5/3 trip as this date does not work for Supt. Harris and other staff at the park.

I've looped in Elaine Hackett and Kyle Earnest from NPS' Office of Legislative and Congressional Affairs for their awareness but want to ensure you have the opportunity to run the possibility of Rep. Hi Susan and team,

Wanted to pass along an update that I had a great conversation with Nick Bush in Congressman Stivers' office this afternoon. The Congressman is very eager to get out to Hopewell Culture NHP to see an EKIP trip in action, however, he won't be able to make any of the upcoming October trips due to scheduling constraints.

Nick did say they would make this a top priority for Rep. Stivers' spring calendar and I've advised him that I will follow up with opportunities for the spring as those trips are scheduled. They would indeed want him to participate in a trip with a school that falls in his district which seems very possible based on the schools the park is already working with.

Susan, I'll plan to check in with you in a few months for an update on the spring calendar, and thank you for sharing any updates on your end as they are available.

Thanks again to everyone for your support of this opportunity - please stay tuned!

Thanks so much, Susan! Given the Congressional recess calendar, I'm guessing the best trips for Rep. Stivers would be the 10/19 and 10/20 options, as the House will be in session for the remainder of these dates. Could you confirm that all of these trips are being funded through NPF's grant? Thanks also for keeping me posted on any changes/additions!

Here is the description I have of field trips from last year. Could you please make any necessary adjustments for this year's program:

Upon arrival, students are divided into smaller groups. Each group will participate in the following activities:

- **Orientation film** - Mysteries of the Ancient Architects: Students view the park's 19-minute film, which provides a snapshot who these people were and explores the monumental earthworks that they constructed during the middle woodland period.
- **Mound Tour** - (30-45 minutes): A guided tour of the Mound City Group explains how the people of the

Hopewell culture lived their lives and discusses the importance of cultural and natural resource stewardship.

- **Museum Tour** - (20-30 minutes): A guided tour of the museum talks about the 2,000 year-old artifacts excavated from the Mound City Group and leads students through a hands-on activity on how to identify and understand the artwork of these American Indians.
- **Atlatl Demonstration** - (20-30 minutes): Students learn about the hunting and gathering of the Hopewellian people and have an opportunity to learn how to throw spears using the ancient spear thrower, the atlatl.

I'm also copying in Elaine Hackett and Kyle Earnest with NPS' Office of Legislative and Congressional Affairs for their awareness. Elaine manages Congressional visits and Kyle handles the Midwest region. At this point I'm having just a preliminary discussion with Congressman Stivers' office, but they did seem very interested in having him participate in an upcoming visit. I also want to ensure you've have the opportunity to give your Superintendent a heads up about the possibility of the Congressman's participation.

Thank you for supplying the additional information at your convenience and for all of your help!

Much appreciated,

Julie

Hi Susan,

Hope you're doing well. We've been in touch previously, but as a reminder, my name is Julie Seger and I'm reaching out from the National Park Foundation. Thanks again for all your help last spring regarding Sen. Rob Portman's possible participation in an NPF-funded EKIP field trip at Hopewell Culture NHP. While unfortunately that visit didn't pan out, I'm pleased to share that we've heard back from staff for Congressman Steve Stivers who are very interested in getting the Congressman out to the park to see the program in action during this school year.

My understanding is trips are being organized for this fall and next spring, but I was hoping you might be able to provide

more specific dates and the various schools involved, if any have been scheduled. I'll also be happy to loop in colleagues from NPS' Office of Legislative and Congressional Affairs for their support in coordinating any potential visit, but I figured I'd reach out for a general update from you and take it from there.

Please feel free to give me a call to discuss and thanks again for all your help!

Amy,

So The National Archives responds directly to the constituent and gives them all the details about the tour - she may have already gotten something from them. That tour was for 9:45am. I also reserved tickets for them at Fords Theatre for 2pm.

Since our NPS van tours start at 8:45am, it will be difficult for her to do the Ranger led tour. Will she be here the following day and I can put her on the van tour with a Ranger? These other two sites are independent from our tours. Let me know.

Thanks

Hi Mike!

Thanks for returning my call earlier. Like I said, my boss is going to have some family in town from August 7<sup>th</sup> – 15<sup>th</sup>. I believe there will just be three family members in town – two adults and one 10-year-old boy. They specifically mentioned seeing the Washington Monument, which I believe is closed for the next year, correct? Besides that, I think just want to go around and look at the major monuments and memorials around the National Mall and Tidal Basin.

Any information and help you can provide would be greatly appreciated!

I emailed you last week about arranging a private tour of the monuments for my boss' family in August. I just found out that he also has family coming up to DC in May and he would like to arrange a private tour of the monuments and the mall for them as well. There would be 5 people and they would prefer that the tour be Friday, May 18<sup>th</sup> in the afternoon. Any help you could provide in arranging this would be much appreciated!

Hi Mike,

I emailed you last week about arranging a private tour of the monuments for my boss' family in August. I just found out that he also has family coming up to DC in May and he would like to arrange a private tour of the monuments and the mall for them as well. There would be 5 people and they would prefer that the tour be Friday, May 18<sup>th</sup> in the afternoon. Any help you could provide in arranging this would be much appreciated!

Thanks,

Sarah Feeney

Chrisa,

So sorry to bother again, but my friend, actor Joe Mantega asked me to arrange some tours for Josh Hinkle - Producer of *Hollywood Weapons* on the Outdoor Channel. He will be in DC with family and would like very much to tour the National Archives the morning of May 23. There are (8) total and his email is:

(b) (6)

His phone number is (b) (6) .

Would it be possible to get on the docent led tour?

thanks

My name is Park Ranger with the National Mall and Memorial Parks. The Park received the following email from you...

*Hello, Several friends have recommend a guided tour of the monuments during our visit to DC this summer. When I searched for activities/events during our dates (7/3 - 7/7), the site said there were no events for those dates. We would love to schedule a Park Ranger tour on the 5th or 6th. What are the next steps (ie. through Congressman Yoder KS)? Please advise, thank you!* (b) (6)

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

With as much driving that we are doing this is the only thing that may fit in. This is pending a good early morning start and a timely departure from MT Rushmore. John

Good Morning Elaine,

My boss is going with his family to Mt. Rushmore on July 3rd. He was wondering if there's a private tour or anything can be arranged for him? If there is they'd like to start as early as possible to get back on the road by noon or so.

I also wanted to say as a past former volunteer, THANK YOU for reaching out to office for the opportunities such as garden tours, Easter Egg Roll, etc. for junior staffers it's an unforgettable experience----heck I still love to volunteer when I can!

Best,

Molly

Good afternoon!

We wanted to be sure we send a response to this request this week, Cheryl has been very busy this week.

We would like to pass along that this is our busiest visitor day of the year, on July 3rd we have all of our activities occurring, will attach our draft itinerary for the day (the most current itinerary will be posted to our park web page closer to July 3rd). Since this is our busiest day of the year, all staff working on this day are here to support the day itself, we are unable to provide any sort of private tour on that day.

We would also like to pass along, there is a time change between here and Sioux Falls, we are in the Mountain Time zone, Sioux Falls is Central Time. This may impact the time they have figured needed to reach Sioux Falls in 5 and 1/2 hours (better to think of that travel taking closer to 6 hours).

Please pass to Representative Shimkus that we hope he and his family are able to visit on July 3, 2018, but we would be unable to provide any additional services on that day. We really hope they enjoy their visit to Mount Rushmore National Memorial!

Yes - we can modify this tour to your needs since I blocked July 9th and July 10th for your group. Once you know which day you want, let me know so I can release the other.

For a half day, you can go from 9am until 12pm or 12:30pm or 1pm until 4pm. Our full day tours are from 9am until 3:30pm or 4pm with an hours break. The Rangers usually take the groups to the golf course at Haines Point where they have a really neat place to order food and you can sit indoor or outside.

You will visit WWII; Vietnam and Korean War Memorials; Lincoln; FDR; MLK and Jefferson Memorial.

Thanks!

I'll request two vans for the tour but once you know more, we can discuss timing - do you want the full day tour 9am until 3:30pm or half a day?

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over the years. I look forward to working with you!

Rob,

I'm happy to be of assistance to SMOY! Nice to meet you Alicia!

I reserved the date of July 10th for your group. The van holds up to 13 people. Do you think you will need a second van?

Rob - I'm very proud of all you do and all that you will be doing moving forward!!

Alice - feel free to contact me if you have any questions.

Best,

Elaine

Hi Elaine,

We received a voicemail from a woman named (b) (6). She and her family have a tour scheduled for June 27 through the DOI/NPS VIP tour program that was arranged through their Congressman. Unfortunately on that date they already had arrangements to meet with Senator Feinstein and can't move it. She asked if it's possible to move their date sometime between June 25-July 2. Her number is (b) (6).

Thanks,

Kathy,

I am happy to arrange for you. Is this your family!

I will need names of everyone and since the 3 children are under 16, do you happen to know how old they are?

The tour is always set for 10am, but you will also be able to tour Liberty Island and Ellis Island.

Thanks and glad I can assist you!!

6 people in total:

3 adults and 3 kids under 16 years old

Thanks in advance.

Kathy,

Here is a copy of the procedure that we follow: I think it's pretty cool - my daughter and her boyfriend and I are going to make our way back to NYC this summer to do!

Ticket holders will have access to the ferry, pedestal observation deck and crown of the Statue of Liberty as well as the National Museum of Immigration at Ellis Island.

**Procedure:** Guests will pick up their tickets at 10am at the Statue Cruises crown ticket holder window inside Castle Clinton at Battery Park, Manhattan. Guests will show ID in exchange for tickets and will be issued a wrist band by Statue Cruises staff identifying them as crown ticket holders. Guests then proceed to the ticket holder

queue to security screening and the next departing boats.

Upon Arrival at Liberty Island, guests will proceed to the monument entrance with their tickets. Only the following items are permitted inside the Statue of Liberty: one camera per person (no camera bags or cases); any necessary medication. The following common items must be secured in a locker: keys, writing instruments, purses, camera bags, camera cases, backpacks, shopping bags, any food and drinks and any item that may impede progress on the staircase. Children must be at least four feet tall to visit the crown.

A complimentary audio tour is offered on both Liberty and Ellis Island. All boats stop at Ellis Island before returning to NY. Boats depart every 20 minutes. Statue of Liberty National Monument and Ellis Island is open every day except December 25. In the event of closure due to weather or emergency conditions, tickets will be honored for the next available day. Guests should contact Elaine Hackett in the Office of the Secretary to re-book their visit.

I hope you are doing well - I was at the game Saturday when our Mets played the Nats here in DC! It felt strange to be watching baseball in a parka and gloves!!

Just wanted you to know that The Crown is available for me to arrange on M-W-F. If you ever want to do a tour - please let me know!

I hope you come to DC during the All-Star week!

Take care and hope to see you soon!

For the park service tour, you don't need anything. Have you gotten a Capitol tour or WH?

I'll request two vans for the tour but once you know more, we can discuss timing - do you want the full day tour 9am until 3:30pm or half a day?

Thanks,

Hi Elaine,

It's a pleasure to "e-meet" you! We really appreciate you being willing to provide the VIP tours.

We've had a few changes in the schedule, so the tours may be on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and their guests alone account for 10, plus Rob, myself, one or two more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over the years. I look forward to working with you!

The contact person for the group would be Officer Scott Earhardt. The total number would be 6 if there is room next Thursday or Friday (6/21 or 6/22). If not on those days, I would guess that it would be 5 since Officer Earhardt would not be able to attend.

Scott's wife's family is up (b) (6) and he is trying to make this visit truly special for them.

I would totally understand if there is nothing available but Dennis Hubscher indicated that there is no harm in asking. I would love for him to do the tour if that is possible - he is one of our BEST interpreters!

Anderson,

Unfortunately, there are no ranger led van tours in the evening. We could probably have a ranger meet the Congressman and family on the Mall and do a short walking tour if they would be interested in that?

Thanks

Good Morning,

Thanks so much for the contact information. Unfortunately, they are not conducting guided tours on July 3rd, 4th or 5th while we are in town. You mentioned that programming info/dates for July would be updated in June, but no new July information is available on the site.

Do you know what sessions/times you will offer programs the first week of July?

Thanks,

As of now the Ranger staff has not posted the programs being offered during the month of July. July programs will be posted in mid June. You can look out for that. However, there is a tour offered through the office of the Secretary of Interior...M-F a ranger goes out with a van of up to 13 people, and a ranger takes the group to all of the Memorials. You would need to contact Elaine Hackett in the office of the Secretary of Interior to check on the availability. Below is the contact info for Elaine Hackett...

Hi Elaine,

As you can see, we have a call scheduled with the Library of Congress on Monday at 2:30pm to discuss Mr. Mandela's additional availability beyond his lecture with the Librarian of Congress, Dr. Hayden, on June 27th. We are hoping you might be able to give us an idea about the potential speech by Mr. Mandela in discussion at the African American Museum to commemorate Nelson Mandela's Centennial, before we speak to Bryonna on Monday, so we know more about how to allocate Mr. Mandela's schedule.

I also wanted to provide you with some additional information about Mr. Mandela, as well a link to a recent interview he did in Canada where it was discussed how bookmakers have dubbed him the next Madiba:

[https://www.youtube.com/watch?v=pYEns\\_UdIQM](https://www.youtube.com/watch?v=pYEns_UdIQM).

Ndaba moved in with his grandfather in 1993, at age 11 (when Nelson sent Ndaba's parents off to University), shortly before Nelson Mandela became president, and he lived with Nelson continuously (other than when he went to University) until his death in 2013. Ndaba took the last known photo of Nelson Mandela at their home with Ndaba's son sitting on Nelson's lap. See <http://www.dailymail.co.uk/news/article-2520016/WORLD-PICTURE-EXCLUSIVE-The-final-portrait-At-home-Johannesburg-hand-hand-great-grandson--picture-Nelson-Mandela-revealed-boys-father.html>.

When Ndaba moved in with his grandfather in 1993, he was the only child staying with Nelson Mandela under his roof for the first year, which also encompassed part of the first year of Mandela's presidency. Nelson raised Ndaba as his own son, and groomed him to be the future leader of the country. Ndaba's mother passed away of HIV in 2003 and his father (Nelson Mandela's only surviving son) passed away of HIV in 2005.

Ndaba is Nelson Mandela's second eldest grandson. He became the patriarch of the Mandela family, and next in line of the Mandela's to be President of the African National Congress, when his outspoken older half brother Mandla, was disowned by Nelson and the rest of the family shortly before Mandela's death, and the grandson designated by Nelson Mandela to deliver the eulogy at his funeral was changed to Ndaba. <https://www.cbsnews.com/video/nelson-mandelas-obituary-read-by-his-grandson/>. Ndaba has no communication or affiliation with his half brother.

Finally, any speech to commemorate Nelson Mandela's centennial that is delivered in coordination with the White House and its invite list, the White House will receive a copy of the speech beforehand.

I have copied my colleague, Alexandra McNair.

Thanks,

I think that this event has the potential to draw interest from African-American based outlets in particular.

It would be helpful to know:

I am on the

1. What if any availability does Mr. Mandela have for phone interviews with D.C. media the day before the scheduled event (June 26)
2. What time is he arriving in D.C.? Anytime for local TV morning show?
3. Does he have any interest in baseball? We have a major baseball exhibition opening that week. The preview event is that same day. Might he be interested in a tour after the event concludes?
4. Thinking about issuing a media advisory next week

Those are my initial thoughts but I will send the communications plan shortly.

Alicia,

I had released the 10th, however, I put you back down for that date, but in the meantime, I booked (4) people on the tour but I think there will be room for them since the second van will not be full. Will that be ok?

Thanks

My sincere apologies, but is it possible to have the tour on Tuesday, the 10<sup>th</sup>?

Also, we have at least 12 guests not counting our staff, so we will need the second van. I appreciate your help!

We've had a few changes in the schedule, so the tours may be  
on the 9<sup>th</sup> instead, but I'll be sure to let you know as soon as I'm  
able to finalize that (hopefully next week).

I do think we'll need a second van because the winners and  
their guests alone account for 10, plus Rob, myself, one or two  
more of my staff members, and the tour guide(s).

Thank you very much for your continued support of SMOY over  
the years. I look forward to working with you!

Hi Elaine,

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

Hi Elaine:

Hope all is well with you.

We don't conduct private tours during the season, as it disrupts the tour schedule and casts a negative light on the person requesting (the visitors can see what's going on and then begin asking questions). We had a similar request from Senator Bennet's staff in 2013, and declined it as well. What we did was include the senator's group on a regular tour, and that's what I'd recommend with Rep. Garamendi's group.

We can place them on the 9:30 am tour of Cliff Palace on July 4. Let me know if that works.

Hi Elaine,

Would it be possible to arrange for a private tour of Mesa Verde National Park for former Deputy Secretary of the Interior John Garamendi and his family? They will be in Mesa Verde on July 4<sup>th</sup> with a large group of 23 so they're hoping we could arrange a private tour for them. I believe they will be arriving in Mesa Verde the evening of July 3<sup>rd</sup> so they will have the entirety of July 4<sup>th</sup> available and can be completely flexible to whatever can be arranged. Thanks in advance!

Sincerely,  
Jennifer

A representative of the Garamendi party can stop by the Visitor and Research Center (near the park entrance) to pay for and pick up the tickets. The Visitor Center is open from 7:30 a.m. to 7 p.m.MDT each day. Advise them it's better to pick up the tickets before entering the park.

Each person should be able to climb ladders up to 30 feet in height, and, for Balcony House, crawl

through a 2 foot diameter tunnel that is about 10 feet long.

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

To: Paul Ollig <[paul\\_ollig@nps.gov](mailto:paul_ollig@nps.gov)>

Cc: Lenny Teh <[Lenny\\_Teh@nps.gov](mailto:Lenny_Teh@nps.gov)>

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

## Harry Yount National Park Ranger Award

The Harry Yount Award honors those rangers who consistently perform the traditional, generalist ranger duties of protecting parks' natural, historical, and cultural resources and serving park visitors – and who excel in the eyes of their peers. These rangers form the heart of the Ranger Corps, reflecting its high standards and commitment to the National Park Service mission. Their leadership and willingness to do the tough jobs well – with style, grace, appreciation, and humor – serves as a role model for all park rangers. Since 1994, the national Harry Yount Award has been presented to an individual nominated by his or her peers for demonstrating an “excellence in the art and science of rangership.” The recipient exemplifies the highest commitment to Harry Yount’s ideals “to see that game is protected from wanton slaughter, the forest from careless use of fire, and the enforcement of the other laws, rules, and regulations for the protection and improvement of the park.”

## The George and Helen Hartzog Awards for Outstanding Volunteer Service

George B. Hartzog, Jr. served as the Director of the National Park Service from 1964 to 1972 and created the Volunteers-In-Parks (VIP) program in 1970. In retirement, he and his wife, Helen, established a fund to support the program and honor the efforts of volunteers. This national awards program began in 2002 to recognize the time, talents, innovation, and hard work contributed to national parks through the VIP program. In 2017, nearly 316,000 volunteers donated more than 7.2 million hours of service assisting the National Park Service in its mission.

## The Wes Henry National Wilderness Stewardship Award

The Wes Henry National Wilderness Stewardship Award recognizes outstanding contributions to wilderness stewardship by an individual or group. Wes Henry dedicated his life to the preservation of wild lands. The former National Park Service Wilderness Program Manager was committed to finding innovative ways to educate others about the value of these special places and reflected an unwavering devotion to help connect people to their wilderness heritage.

together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August**

**2, 2018 from 4:00 – 6:00 PM.** The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

There will only be 2 Wes Henry Award recipients in attendance as (Dan Pulver) will be out of country on Aug 2. Dan's supervisor, Louise Milkman, will accept the award on Dan's behalf. We would like to include the two recipients in attendance (Roger Robinson and Ashely Northcutt) in the tour.

For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

I understand that the tour was for ALL the award recipients and they are staying at the same hotel: **The Mayflower Hotel**.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

The tour and times sound great - I think a 9AM or 10AM start time is fine, depending on your recommendation Jerold - Lenny did you have thoughts on this?

I have spoken to Elaine Hackett in the Office of the Secretary of Interior. She is going to block the Secretary tour on August 2 for the Hartzog award winners. Myself and another Mall ranger will provide 2 vans (holding up to 26 people all together for a Mall tour that day.) We can take the 26 people to our Memorials...Vietnam, Korean, WWII, Lincoln, Jefferson, FDR, MLK Memorals. The other rangers and I could take them out between 9am or 10am and 2pm...

What hotel will the group be staying at?

Would something like this work for Aug 2? In talking to Elaine, I think that the Capital would be too hard to get in...

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6) leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

Hi Everyone,

I attached the [list of award recipients](#) who will be attending the ceremony.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Jackie

Here is the response from Roger Robinson who will be receiving the Wes Henry Wilderness Stewardship "Team Award" on behalf of the Denali National Park Mountaineering Rangers on Aug. 2. As you can see, he would like to go on the tour with two additional guests and suggests meeting the group at the National Mall. Please advise if that will be OK.

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award. The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM**. The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

Dear Mr. Ollig,

I am working with Lenny Teh, Service-Wide Volunteer Program Manager, and the NPF on arranging logistics for this year's George and Helen Hartzog Awards for Outstanding Volunteer Service Ceremony. The ceremony **will honor the recipients of the George and Helen Hartzog Awards, the recipients of the Wes Henry Wilderness Stewardship Awards and the recipient of the Harry Yount Award.** The ceremony will be held at the **Main Interior Building on August 2, 2018 from 4:00 – 6:00 PM.** The NPF will be hosting and sponsoring/catering the event.

Every year, the WASO Volunteer Office works with someone from NAMA to arrange a tour of the National Mall for the recipients and their guests during the morning of the award ceremony (from approximately 10:00 - 2:00 PM). Though I am new to this process, in the past it looks like the bus tour encompassed several stops, including a tour of the White House (we are planning on chartering a bus to pick up and drop off recipients at their downtown hotel).

I wanted to begin planning for this year's tour and was wondering if you could provide us with guidance on who we can reach out to for assistance. I believe in the past someone from NAMA was able to join and narrate the tour. We haven't considered at this point

which tour stops to include - we are very open to your expertise and suggestions.

So far 14 people have provided feedback that they will attend, though I know that once the official invitations are emailed to recipients and the final count tallied, this number will go up (I assume to 25 or potentially closer to 30).

Thank you for any guidance and assistance you can provide. I am always available by email or phone 202-354-2182.

There are a total of 26 so far (23 Hartzog and 3 Wes Henry recipients).

It looks like we would just make it into the two vans. I could ask someone at NCR for a van as well though if it is recommended? - I think we have even borrowed a van several years ago from ROCR for another award ceremony. I would be available to drive the van if needed.

Hi Roger,

Since there would be three of us and it appears there is limited room on the shuttles, it might be prudent to meet up with them at the National Mall. I could stay in touch with the leaders through my cell (907)315-0501.

I will be out of the office till the 17th but can be reached through my cell.

Please coordinate with Roger Semler (copied) regarding Harry Yount and Wes Henry award recipients.

I also copied Jennifer Hughes at NPS as she is handling hotel logistics. The schedule for the recipients includes the pick-up and drop-off time for the tour and then the award ceremony at 4pm. For the award ceremony, they will need to be escorted into the building due to MIB security and that will take time.

A mid-morning pick-up at 9:45am at the hotel with the tour starting around 10am is my recommendation.

Hi Elaine,

Our office host interns through the HBCUI and LHIP programs every summer. During their two month internships we typically try to provide them with some sort of field related excursion. This summer has been especially busy and unfortunately we've been unable to do this for our intern who leaves at the end of the month.

I was pondering ideas yesterday and thought that perhaps the VIP tour of the monuments would be a good way for them to get that behind the scenes experience. I was wondering if you might have availability in one of the tours this month for 1-2 spots. Our HBCUI intern, (b) (6), leaves at the end of the month and we have a new LHIP intern, (b) (6) starting Monday. Would it be possible to send both of them?

I know this is a last minute request and that these tours book up pretty fast. If it's not possible I completely understand.

Thank you,

Allie,

There is a hold on the tour for 7/25 (by The Secretary). I asked him whether he needed this date and he was going to check for me. I will still put them down for that day and if anything changes, I'll let you know.

What is the last name of the couple? If I can confirm them, they would need to be here at the Department of the Interior - [1849 C Street, NW](#) (C Street lobby) no later than 8:45am.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln; MLK; FDR and Jefferson Memorial.

The tour will end approximately 3:30pm at the Department of the Interior.

Thanks

Allie,

I'm so sorry I didn't get to be there - I had a very last minute request from family to help them out, so I had to help them.

I will definitely go to the Cat/Griz watch party!

We have the Secretary's VIP van tour each day except for weekends and federal holidays that take 13 guests maximum from 9am until 3:30pm to all the sites on the national mall if that would work, or the DOI Museum does a mural tour of the building which is really nice. It lasts about 90 minutes and very interesting.

The Museum staff can do more people on this tour. Any interest?

Hi Elaine

Thanks for your email! It would be great to meet you all. All of the volunteers are going to be on a specially arranged guided tour of the National Mall from 10:00 AM - 2:00 PM on that day (August 2). We have to get back to the Main Interior Building by 3:45 PM. I'm not sure about distances and logistics. Perhaps there would be time to meet earlier in the morning and/or right after the tour?

My cell phone is (b) (6) and is the best way to contact me.

best regards

One of the driver's for our National Mall Tour will be able to pick us up from the Senator's Office and get us to the tour. Elaine:

Details are:

Date: Wednesday, August 15, 2018

Time: 2:30pm to 3:30pm

Attendees: Congressman Anthony Brown (MD4), his wife (Karmen Walker-Brown), and up to two staff members (Ben Wolff and/or Nichelle Schoultz).

Site: Harriet Tubman Underground Railroad National Historic Park & Visitor Center (Cambridge, MD).

My thought is that the visitors center is the best thing for him to see, as it is new. I haven't been out there myself so I don't know what else there is nor how much time the visitor's center takes up.

Not sure what other detail you need but I am happy to provide it. I can be reached at 301.458.2600 or 202.768.0514.

Details are:

Date: Wednesday, August 15, 2018

Time: 2:30pm to 3:30pm

Attendees: Congressman Anthony Brown (MD4), his wife (Karmen Walker-Brown), and up to two staff members (Ben Wolff and/or Nichelle Schoultz).

Site: Harriet Tubman Underground Railroad National Historic Park & Visitor Center (Cambridge, MD).

My thought is that the visitors center is the best thing for him to see, as it is new. I haven't been out there myself so I don't know what else there is nor how much time the visitor's center takes up.

Not sure what other detail you need but I am happy to provide it. I can be reached at 301.458.2600 or 202.768.0514.

Yes - Their ranger will be Ed Fleming. He will pick up the group at DOI C

Street lobby at 10am and drop off at DOJ at 12:15pm.

The evening ranger will be Steve Hazelton and he will meet the group at 6:30pm. Will that work?

I will get cell numbers for you soon.

Also, for the guided tour, the AG is asking if it could start at 10:00am. They need to get some of the kids to school that morning. So, it will be a short tour. 10:00am-12:15ish. Ending at DOJ at 12:30pm. Let me know if that's possible.

As for an evening tour, I can have a

Hi Elaine,

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issuu?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issuu?e=34115463/63466753)

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs

that are open to the public. The 2018-2019 ranger program schedule is not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

Mr. Secretary:

The parks were hoping you have some dates set for your visit.

This will help them do more planning for you. January and February are the best months for skiing.

Here is a little bit of information for now from Yellowstone. I will have more for you and also from Grand Teton.

Have a great day!

Elaine

\*\*\*\*\*

Hopefully, they will want to be in YELL over a weekend as lodging, and most package deals on weekdays are mostly sold out. This year is going to be exceptionally tight for reservations, as Mammoth Hotel will be closed all winter. That said, we will need to know dates as soon as possible to try and reserve any lodging or activities they may want. The only package that is still available for a group of this size is the Frosty Fun Package:

<https://www.yellowstonenationalparklodges.com/special-offer/frosty-fun-package/>

Several winter activities are offered by Xanterra as well, with many based out of Old Faithful, and can be seen online at:

<https://www.yellowstonenationalparklodges.com/adventures/winter-adventures/>

Our non-profit partner, Yellowstone Forever, may also be able to offer a private tour for the group if they are interested. Private tours for a group this size are \$865 per day, not including and taxes or gratuity. Yellowstone Forever's winter catalog is online at:

[https://issuu.com/ynpforever/docs/yf\\_wintercatalog\\_2018-19\\_issuu?e=34115463/63466753](https://issuu.com/ynpforever/docs/yf_wintercatalog_2018-19_issuu?e=34115463/63466753)

We may also be able to have an NPS interpretive ranger available at Old Faithful to give them a talk or tour for an hour, depending on availability of staff. There will also be free ranger-led programs that are open to the public. The 2018-2019 ranger program schedule is not available yet, but typically programs are offered at Mammoth, Old Faithful, and West Yellowstone.

Another logistic that will have to be taken into consideration is transportation between YELL and GRTE. Xanterra does not provide transportation between the two parks, and the group will have to make arrangements with a third party CUA holder to either snowmobile or ride a coach between parks. Xanterra does provide transportation from Mammoth to Old Faithful, but not from the West or South Entrances.

Unless they have a reason to fly in and out of Park City, UT, I would suggest flying into Jackson, visiting GRTE, traveling to YELL, and then flying out of Bozeman, as Xanterra does offer an airport shuttle to Bozeman. Park City is a long drive!

The sooner dates are confirmed, the better, given limited lodging in YELL this winter. I hope this helps, let me know if you have any questions.

Thanks!

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Happy Thanksgiving!

For the tour, we have assigned David Smithey (202-495-9978). Ranger Smithey will meet your group at WWII kiosk at 2pm on 12/2. He will be able to ride along and get out whenever they want to see the Monuments up close.

Good morning Elaine,

Thank you for taking my call. To follow up, Lieutenant General Ashley, Director of the Defense Intelligence Agency, has invited his counterpart, Lieutenant General Kim, Director, Korea Defense Intelligence Agency, to Washington, DC for a program on 2-8 Dec. We would like to present a cultural tour of Washington memorials and monuments at the start of the visit.

The tour would be on Sunday, December 2nd from 2pm to 3:30pm with a short walking tour at each of the World War II, Korean, Lincoln, and Jefferson Memorials. Would a park ranger be available for a VIP Tour at this time?

There will be approximately 10 delegates. The principal speaks limited English so we will have an interpreter. We also have the government van to transport the delegation.

Thank you for your consideration. Please call me if you need additional information.

Happy Thanksgiving!

For the tour, we have assigned David Smithey (202-495-9978). Ranger Smithey will meet your group at WWII kiosk at 2pm on 12/2. He will be able to ride along and get out whenever they want to see the Monuments up close.

Thank you!

Hi Diane,

Thanks so much for following up, and for your patience while NPS determined timing for field trips at WWII Valor in the Pacific NM.

I'm pleased to share an upcoming opportunity for Senator Schatz's participation on **Thursday, January 24, 2019**, when students from Leihoku Elementary will be visiting from approximately 8:45am-12:00pm.

Students will arrive at the Lanai Visitor Center at 8:45am for a brief welcome and orientation. Between 9:15am-9:45am, they'll divide into two groups and rotate through two activities; a virtual reality simulation, and guided tour of the park's shoreside exhibits. From 10:00am-11:15am, students will watch an educational video before boarding a U.S. Navy Boat to visit the USS Arizona Memorial. Students will return to the Lanai Visitor Center at 11:20am and complete a final debrief activity before eating lunch at 11:30am and departing for their school at 12:00pm.

The park and its education partner, Pacific Historic Parks, would be delighted for Senator Schatz to participate in as much or as little of the trip as his schedule permits. We'd be happy to work with you on a detailed run of show outlining his participation including a brief introduction and photo opportunity tied to any of the activities above. If the 1/24/19 date is not convenient, we'll also be happy to keep you apprised as the park schedules additional trips this spring. Finally, I should note that staff for Senator Mazie Hirono have expressed interest in upcoming opportunities at the park, and we'll be sharing the 1/24/19 opportunity with her staff as well.

We sincerely appreciate Senator Schatz's interest in this opportunity. Please let me know if the 1/24 trip would be of interest and if so we'll look forward to coordinating next steps!

Thanks again,  
Julie

Hi Diane,

Hope you're doing well. A quick update that I've been in touch with NPS and their partners at Pacific Historic Parks, who are still in the process of determining dates for upcoming field trips associated with NPF's grant, likely later this fall. I'll be happy to pass along specific opportunities as soon as those are confirmed.

Many thanks for your patience and please stand by!

Hi Chris,

Hope you're doing well. I'm thrilled to share that as part of the National Park Foundation's [Open OutDoors for Kids program](#), NPF awarded a \$10,000 grant to World War II Valor in the Pacific NM. Funds will connect 1,000 students from Leihoku, Ma'ili, Makaha, Nanaikapono, Nanakuli, and Wai'anae elementary schools to the park for educational activities including a walk through the Pearl Harbor Shoreside exhibits, viewing a documentary film on the Pearl Harbor attack, and boarding a U.S. Navy shuttle boat to ride to the memorial. Visits will conclude with a reflection activity at the Contemplation Circle area. Trips will take place this fall and in spring 2019.

NPF is awarding over \$2.3 million to transport more than 200,000 students from underserved

communities to national parks and public lands for place-based learning during the 2018-2019 school year.

We'd be happy to help arrange for Senator Schatz to participate in upcoming field trips to see programs in action. If this would be of interest, please feel free to connect me with your scheduling staff and I'll be happy to coordinate additional details. We'd also be delighted if he would like to spread the word about NPF's grants via social media and have included suggested language, attached. As always, we're happy to amplify posts from NPF's channels.

Please feel free to reach out with any questions and thanks for Senator Schatz's support.

Julie

**SUBJECT: White House Easter Egg Roll**

**I. INTRODUCTION**

The White House Easter Egg Roll traditionally is the first Monday after Easter and takes place on the south lawn of the White House. The White House and National Park Service oversee this event.

**II. BACKGROUND**

The White House Easter Egg Roll began on Easter Saturday in 1878 with President Rutherford B. Hayes and has been a tradition ever since.

The White House Visitors Office and National Park Service, President's Park, plan the logistics for the online ticketing lottery and they also provide an allotment of tickets to Cabinet Members and their families; Members of Congress and their families; The Department of the Interior and some military families.

The event is usually from 8am until 6pm and tickets are timed. Over 500 volunteers assist with various aspects of the event from handing out wristbands, face painting; egg roll; assisting with storytelling; physical activities; musical entertainment or handing out the commemorative wooden eggs at the end of each timed session.

**SUBJECT: National Tree Lighting Ceremony**

**III. INTRODUCTION**

The National Tree Lighting Ceremony (formerly called the Pageant of Peace), traditionally takes place the first Thursday of December on the White House Ellipse.

**IV. BACKGROUND**

The National Tree Lighting Ceremony has been a tradition for over 94 years, beginning with President Calvin Coolidge. President Coolidge lit a 48 foot fir tree decorated with 2,500 red, white and green electric light bulbs while a local choir and a quartet from the US Marine Band performed. This 94 year old American tradition continues to bring people together with a message of peace and hope.

The highlight of the National Tree Lighting Ceremony is the President and First Family flipping the switch to light up the tree. General Electric has been designing the Christmas Tree since 1963 and donating the lighting and decorations.

This event has become so popular that a ticket lottery system has been established for the public to attend. Santa and Mrs. Clause and a variety of entertainment perform for this event.

**SUBJECT: Secretary's VIP Van Tour**

## **V. INTRODUCTION**

This is a ranger-led tour of WWII; Vietnam and Korean War Memorials; Lincoln Memorial; MLK; FDR; Jefferson Memorial and Washington Monument. Guests are driven in a 13-passenger van by the park ranger. This is an all day tour M-F from the Department of the Interior – C Street, beginning at 9am -3:30pm ending at C Street.

## **VI. BACKGROUND**

The Secretary's VIP Van Tours began in the early 1980's and guests were driven by a park ranger in a car. Due to the popularity of the "word of mouth" tour, NPS now provides a van for the tour. What makes this tour so unique is the ranger drives as close as possible to each site so there is minimal walking for the guests.

This VIP tour is requested by Congressional Offices on behalf of their constituents. Tours are booked one month in advance and tour operates M-F except federal holidays, Cherry Blossom and the week between Christmas and New Year. Tours are booked through the Secretary's Office.

Guests are required to arrive no later than 8:45am at the C Street lobby. The ranger will come into the lobby with a list of guests for the day and depart at 9am from C Street. Ranger will stop midday for a break at a location TBD so guests can get lunch or take a break then continue the tour until approximately 3:30pm - ending at C Street.

The van is not wheel chair accessible. Walkers, car seats and strollers are not allowed!

**SUBJECT: Wolf Trap Park for the Performing Arts**

## **VII. INTRODUCTION**

Wolf Trap Park for the Performing Arts is the only national park for the performing arts. The NPS in Partnership with Wolf Trap Foundation oversee the venue. The Filene Center is an open air concert venue with over 100 performances during the summer season.

## **VIII. BACKGROUND**

The Secretary of the Interior has Box 29 with (8) seats for his use. Traditionally, the Secretary has used the box to entertain White House; Executive Branch; Legislators and others. In addition, any unused seats are made available to employees.

**Directions:** From DC, it is located 26 miles west on I-66 or Route 267 (Dulles Toll Road) which requires a toll or it is 16.9 miles on the George Washington Memorial Parkway.

**Parking:** The Secretary and/or guests will be provided a parking spot in the “circle” which is in front of the box office.

The day before a performance we email the list of guests to Duane Erwin (NPS) and MaryLynn Haase (Wolf Trap Foundation). They will send confirmation letter and instructions to guests.

Wolf Trap Foundation will provide tickets for the Encore Lounge to the Secretary’s guests for refreshments before and after the shows.

Attached is the listing for the current performances for the 2017 season. In late April, a few more performances will be added.

Hi Elaine, could I chat with you about this type of request sometime this morning, perhaps around 11am? They just want a VIP tour, not a tour led by the Secretary. I'll forward you the other request I received yesterday as well.

Hi Amanda!

I hope you are doing well and enjoying your new job! It was great talking to you today.

Greg Tabish owns Great Western Petroleum, a gas and oil distributorship in Missoula. His father in law, Chip Erdmann, is the Chief Judge of the US Court of Appeals for the Armed Forces. He is retiring and coming to DC for his passing of the gavel ceremony. They are requesting a Secretary Tour on May 22<sup>nd</sup> or 24<sup>th</sup>, for four individuals.

Caitlin Dorman will be willing to talk to you about this family and another family's request for the Secretary Tour. Her direct line is (b) (6)

I hope once you are settled, we can go to lunch.

Christy ☺

Amanda,

Among other policy items, I'd like to catch you on, there is a constituent family interested in a monument tour from Secretary Zinke. Is that something he'd or someone else appropriate would/could do? I'm not sure if that's a thing or not. But we heard it could be. I've included Christy, cc'd, in our office who's coordinating with the family. Can you put us in touch with the most appropriate person?

Thanks! and hope to chat soon on other items!

Dan,

Just an fyi - I reached out to Scott Pearson and he gave me some times and dates that work best for him so I confirmed that Ranger Jerry Hawn will take the group out for a VIP tour on **March 29th from 12pm - 4pm**. Ranger Hawn will meet them in the C Street lobby.

He already has a Capitol tour scheduled so I asked if he was interested in a Fords Theatre tour. Just waiting for him to get back to me.

Caroline,

I put the group of (4) under (b) (6). They are reserved for **April 24**. They will need to be in the C Street lobby no later than **8:45am**. A Ranger will come into the lobby and have a list of guests for the day.

They will visit WWII; Vietnam and Korean War Memorials; Lincoln Memorial; FDR; MLK and Jefferson Memorial.

The Ranger will stop midday at a location TBD, so guests can take a break or get lunch. They will continue the tour until approximately **3:30pm**, ending at DOI C Street.

Enjoy!

Afternoon Elaine,

Is this an advance team for an official visit or a tour for personal reasons? If it's a personal visit, we are specifically prohibited by law from soliciting or accepting gifts from a prohibited source due to ethics laws. The boats to/from the island are under a concessioner and not under the control of NPS.

I recommend you contact the concessioner ([Alcatraz Cruises](#)) directly, who runs the ticketing program. Two recommended points of contact are: Denise Rasmussen ([drasmussen@alcatrazcruises.com](mailto:drasmussen@alcatrazcruises.com)) or Antonette Sespene ([msespene@Alcatrazcruises.com](mailto:msespene@Alcatrazcruises.com)).

As you may know, the tickets tend to sell out about 90 days prior to embarkation.

Let me know if I can be of any further assistance.

Enjoyed the rehearsal concert tonight! As we discussed, my parents' best friends (they have known me since about age 3) are coming into town at the end of next week with their granddaughter and a friend. Do you have room for a Secretary's VIP tour for the four of them on Friday, July 14? Also, they are available Thursday after around 11:00 a.m. if it's possible to get them on a Ford's Theatre and Bureau of Engraving Tours. They already have a tour set for Saturday for the Holocaust Museum.

Rusty,

I have a family of four very close and personal friends coming to DC next month, and I would greatly appreciate your helping me hook them up with a monument tour and Treasury mint building (I think this is the correct building where the money is made). The preferred date would be on Monday August 14, 2017. If the Treasury piece is too big of an ask, then the monument VIP tour would be money!

Hey Elaine,

Todd is a friend of the Secretary's; he is looking to have a van tour and possibly a White House tour between September 11-15. There are 5 in the group. Please let me know if there's availability for the DOI one and if you're able to get them a WH tour! I've attached their WAVES form here.

Caroline,

My wife is (b) (6) that week so I'm not sure at this time if she will be able to join us or not. I did include her info on the WAVES form. Not sure if it makes any difference but both my wife and I (b) (6). I also included (b) (6) SSNs on the form since I had them.

Thank you for your time and effort!

How many people are in your group? For White House tours, we do need to submit security information to the White House before the request can be considered. I have attached the security WAVES form. Please fill it out and return it as soon as possible. SSNs are not required for those under the age of 16 I believe; I will confirm that for you though!

Once we know your group size, I can reach out to Elaine to determine availability for the DOI van tours of the national monuments.

Can you tell me how many people will be in your group? Would you be interested in a Ranger guided tour of the Monuments/Memorials? How much time would you have to tour? 2-3 hours?

Please let me know what you think and I'll go from there!

Elaine,

Thanks for getting back to me last week. I left you a VM over the weekend and wanted to follow-up with an email.

A tour would be nice especially if we could do a more "behind the scenes" tour and possibly a visit to the Secretary's office???

Most of us have been to DC several times and have toured all of the monuments/memorials, but a guided tour might add a different twist.

I will be with my family (b) (6) along with 3 of my AGC (Associated General Contractors) officers. So, there could be a total of 8-10 of us. Let me know if you need any information for security purposes.

Scott may have mentioned to you, but I work with Dave Zinke at Knife River!! We are back in DC for some Leadership Meetings and visits with our Congressmen. Any help you can provide would be very much appreciated.

Thanks,

Dear Todd and Maureen,

The USO will be hosting its annual Gala next month on October 19. As part of the evening program, we honor 8 service members (one from each branch of the military and two volunteers both overseas and in the US) who have shown exceptional bravery and heroism. Each of those service members will be invited to join us in DC for exclusive tours prior to the Gala.

I wanted to touch base to see whether your office might be able to help coordinate a special tour of some of the national monuments around the Mall and possibly Arlington House. This will be the first time these honorees have visited Washington.

We would like to have the tour for 18 people (the service members and their families who will be traveling with them.) The USO will have its own small shuttle to transport the honorees. We wanted to explore the possibility of having someone from the NPS accompany the group or meet them at the identified monuments based on a

schedule we'd coordinate with you in advance to

include the World War II Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial, the Lincoln Memorial and the Jefferson Memorial.

In addition, we wanted to explore the possibility of having Secretary Zinke meet with the group briefly and give them a tour of his office at the Department of the Interior if his schedule permits.

Please let me know if you have any questions or need further information. I am happy to provide additional detail and scheduling parameters if necessary.

Thank you for the consideration!

Dear Todd and Maureen,

The USO will be hosting its annual Gala next month on October 19. As part of the evening program, we honor 8 service members (one from each branch of the military and two volunteers both overseas and in the US) who have shown exceptional bravery and heroism. Each of those service members will be invited to join us in DC for exclusive tours prior to the Gala.

I wanted to touch base to see whether your office might be able to help coordinate a special tour of some of the national monuments around the Mall and possibly Arlington House. This will be the first time these honorees have visited Washington.

We would like to have the tour for 18 people (the service members and their families who will be traveling

with them.) The USO will have its own small shuttle to transport the honorees. We wanted to explore the possibility of having someone from the NPS accompany the group or meet them at the identified monuments based on a schedule we'd coordinate with you in advance to

include the World War II Memorial, the Korean War Veterans Memorial, the Vietnam Veterans Memorial, the Lincoln Memorial and the Jefferson Memorial.

In addition, we wanted to explore the possibility of having Secretary Zinke meet with the group briefly and give them a tour of his office at the Department of the Interior if his schedule permits.

Please let me know if you have any questions or need further information. I am happy to provide additional detail and scheduling parameters if necessary.

Thank you for the consideration!

Would like to visit with you if at all possible?

Or, if your planning a Montana visit, let me know.

Will be there attending a conference with other Montana business owners & reps such as GPI & Xanterra.

The purpose for this conference is to discuss the J-1 student visa exchange program that all us employers in Montana use to fulfill our employment needs during the Summer months.

This program is ONLY eligible to university students and the visas are typically 90 to 120 days long.

Currently, I am being told that this program may be canceled or eliminated in the very near future.

You & I have discussed this topic in the past and was hoping to have a few minutes of your time to share my thoughts and visit with you.

Hope all is well with you & your family,

Brian

Hello Brian,

I hope you are doing well. I am Secretary Zinke's assistant, and he forwarded me your email chain to get everything set up for your visit on the fifth. I am holding spots for the monuments tour for six people. The tours usually start at 9:00 a.m. (we ask guests to arrive by 8:45 a.m.), and they run through 2:30 or 3:00 p.m.. Since the Secretary will be on travel, he asked our Chief of Staff, Scott Hommel, to take the meeting. What timing would work best for you? Would you prefer to meet first from maybe 9:30-10:00 and start the tour afterwards, or would you like to do the tour first and meet with Scott afterwards at 3:00?

Warmly,  
Elinor

Hello Caroline,

Trying to get my schedule wrapped up for next week and was hoping to finalize dates.

Was wondering if there will be an opportunity to meet a representative from your office on the 5th.?

Possibly do the tour on the same day?

Thanks for your help,

Brian

As for the meeting, if it works out better to do it early in the a.m. or in the evening, I am completely open to what ever works.

I'll talk to Elaine, who handles tours, on Monday when she's back in the office. Would you be available for a tour both the 5th and 6th or just the 5th? We will work to set it around a potential meeting. Additionally, how long would you have to spend on a tour?

If we can meet with one of Ryan's surrogates on October 5th. anytime in the a.m., that would be great.  
As for the tour, there would be 4 to 6 people at this time.

If the time I proposed does not work, let me know what will and we possibly make other arrangements.  
Please let me know if this works,

The Secretary is all but confirmed to be away on travel during that first week in October; we apologize for the inconvenience. Should that trip get moved, we will certainly be in touch! We are looking to be in Montana later this fall, but an official date and location has not been set at this point.

Would you be interested in meeting with a surrogate while you're here? Regardless, we can certainly work to see if the VIP tour is available.

Please let us know!

Hi Ryan,

I am Going to be Washington D.C. 10/5 & 6.

Would like to visit with you if at all possible?  
Or, if your planning a Montana visit, let me know.

Will be there attending a conference with other Montana business owners & reps such as GPI & Xanterra.

The purpose for this conference is to discuss the J-1 student visa exchange program that all us employers in Montana use to fulfill our employment needs during the Summer months.

This program is ONLY eligible to university students and the visas are typically 90 to 120 days long.

Currently, I am being told that this program may be canceled or eliminated in the very near future.

You & I have discussed this topic in the past and was hoping to have a few minutes of your time to share my thoughts and visit with you.

Hope all is well with you & your family,

Brian

Hi Elaine,  
Happy Thursday.

I have no clue if it is even possible, but my boss and I are both BIG Reba fans, and if tickets were available, we would be all about that. I am friends with Micah Chambers, Aaron Thiele, and Faith Vander Voort. I think you and I may have even met, but I am not entirely sure.

Anything you can do would be great. If not, absolutely no worries.

Elaine,

Thank you so much for putting me on the list. I want to introduce you to my boss, the legislative director of the American Legion. The secretary gave him a private tour of the Lincoln memorial at night a few months ago.

He's interested in the Reba McEntyre concert. I owe you big time for even considering the request. Let me now if I can ever be of help. Thank you!!!!

Dan, thanks for following up. It turns out the tours seem to be booked for the next couple weeks, but Ms. Hackett is looking into it to see if there are any cancellations or anything else she can do. As for the July 4 event, what exactly is it? Is it an evening event to watch the fireworks, or something else? I would definitely be interested in that if there is extra room.

Thanks again, and best regards,

Dear Scott:

I hope that you are well. I am writing to ask for a favor from you and Secretary Zinke. A family friend from the Czech Republic and his family are coming to DC in October of this year. He is the Administrator of [\(b\) \(6\) of South Moravian Region of the Czech Republic](#). His name is (b) (6) and he is responsible for the return of family property (land, paintings, jewelry, art, homes, etc.) from when they were taken first by Germany in WWII and then by the Communists after. He is also Deputy Mayor of Tynec, a village and municipality (obec) in (b) (6)

I would like to ask if you could arrange for a Park Service Guided Tour of the DC monuments for (b) (6) and his family (7-people total) on **Monday, October 16, 2018**. Please let me know if you can make this work. They will have a translator. It would be a great gift that I would not forget.

Thanks for considering this request. I look forward to hearing back from you about it. In the meantime, if you have any questions or comments, please do not hesitate to contact me. The best way to reach me is via email or on my mobile at (b) (6)

Sincerely,

(b)
